Matthews Memorialization offers many choices for personalizing your chosen urn. Personalization allows you to create a customized remembrance that best represents your loved one's interests, hobbies, associations and personality. Throughout this catalog, icons are used to identify urns that accept various types of personalization.

Personalization choices include:

- Engraving**
Engraving completes any urn for your loved one, making it more personal and unique. Our talented craftsmen can engrave a number of emblems or text in a variety of font styles.
- Appliqués**
Appliqués are available in a variety of special symbols and images. Military and other organization emblems are available in a stately aged bronze color.
- Charms**
Charms are a great way to personalize almost any urn. Charms can be personalized with a small amount of text, and can be draped around the neck of an urn.

Engraving

Personalizing an urn with engraving can be done in a variety of ways including name, dates, message or image. This is a perfect way to honor your loved one’s beliefs, virtues or affiliations while making a truly personal statement.

Elegant. Distinctive. These vibrantly colored urns are encased in a layer of clear glass and handcrafted in the Czech Republic by Bohemian glass artisans. Each urn is handblown individually, therefore, slight variations in size, depth and variation of color may occur. These variations, as well as the presence of tiny bubbles are normal and give each urn a unique look.

BERNARDAUD

LIMOGES PORCELAIN URNS

Bernardaud, the world-renowned porcelain company, is synonymous with luxury, savoir-faire and French craftsmanship. Founded in 1863 in Limoges, France, the family-owned and operated company mixes tradition and innovation to provide artisan products of great beauty and superior quality.

Most Bernardaud urns can be personalized with names, dates, short text and specific graphics. The process for personalizing these urns is done during production of the urn in France, not after the fact, and may take 21-30 days to complete. See pg. 41 for more details.

Whether you choose to memorialize your loved one in a beautiful glass-front niche, at a cemetery, or a special place at home, Bernardaud provides exceptional porcelain urns and personalization to create the perfect remembrance.

NATURAL STONE

Natural stone urns offer the elegance of natural beauty combined with the visual interests of color and texture variety. No two pieces are alike, and natural variations of color and design will occur. These are not flaws, but are indicative of the way that naturally-occurring stone develops in nature. Our alabaster, jade and marble urns are a stunning representation of your loved one, and offer a peaceful addition to your home décor or niche.

Made of a mixture of bamboo fibers and other biodegradable materials, the Biotree Urn provides a more sophisticated and contemporary solution to a loved one's desire to return to the earth after life. The unique design and processing method ensures healthy growth of the provided tree seeds.

BIOTREE®: HOW IT WORKS

Add cremated remains to the base of the Biotree Urn.

Plant seeds redeemed from the provided seed certificate, or purchase tree sapling.

Just add water. No need to add soil, and the Biotree will treat the cremated remains.

Watch a loved one become a tree. Biotree Urn may be kept inside until it begins to crack, then it is time to plant the urn.

The Biotree Urn and cremated remains are returned to nature as the tree grows.

Using the included tag, the location of the tree can be geotagged and families can create an online memorial to share with friends and family.
