1. BROKEN CHAIN

We little knew the day that God was going to call your name,
In life we loved you dearly, in death we do the same.
It broke our hearts to lose you, but in God we put our trust,
In times as difficult as this, faith is such a must.
You left us peaceful memories, your love is still our guide,
And though we cannot see you, you are always at our side.
Our family chain is broken, and nothing seems the same,
But as God calls us one by one, the chain will link again.

2. WHEN I'M GONE

When I come to the end of my journey and I travel my last weary mile,
just forget if you can, that I ever frowned and remember only the smile.
Forget unkind words I have spoken; remember some good I have done.
Forget that I ever had heartache and remember I've had loads of fun.
Forget that I've stumbled and blundered and sometimes fell by the way.
Remember I have fought some hard battles and won, ere the close of day,
Then forget to grieve for my going, I would not have you sad for a day,
But in summer just gather some flowers and remember the place where I lay,
And come in the shade of evening when the sun paints the sky in the west
Stand for a few moments beside me and remember only my best.

3. PSALM 23

The Lord is my shepherd; I shall not want.
He maketh me to lie down in green pastures: he leadeth
me beside the still waters. He restoreth my soul: he leadeth me in the paths
of righteousness for his name's sake. Yea, though I walk through the valley
of the shadow of death, I will fear no evil: for thou art with me;
thy rod and thy staff they comfort me. Thou preparest a table before me
in the presence of mine enemies: thou anointest my head with oil;
my cup runneth over. Surely goodness and mercy shall follow me all the
days of my life: and I will dwell in the house of the Lord forever.

4. OUR LIVES GO ON WITHOUT YOU

But nothing is the same,
we have to hide our heartaches, when someone speaks your name.
Sad are the hearts that love you, silent the tears that fall,
Living our lives without you, is the hardest part of all.
You did so many things for us, your heart was kind and true,
And when we needed someone, we could always count on you.
The special years will not return, when we were all together,
But with the love within our hearts, you will walk with us forever.

5. FOOTPRINTS

One night a woman had a dream. She dreamed she was walking along the beach with the Lord. Across the sky flashed scenes from her life. For each scene, she noticed two sets of footprints in the sand: one belonging to her, the other to the Lord. When the last scene of her life flashed before her, she looked back at the footprints in the sand. She noticed that many times along the path of her life there was only one set of footprints. She also noticed that it happened at the very lowest and saddest times in her life. This really bothered her and she questioned the Lord about it. Lord, you said that once I decided to follow You, You'd walk with me all the way. But I have noticed that during the most trouble-sometimes of my life, there is only one set of footprints. I don't understand why, when I needed You most, You would leave me?

The Lord replied, "My precious, precious child, I love you and would never leave you. During your times of trial and suffering, when you saw only one set of footprints, it was then that I carried you."

6. GOD'S GARDEN

God looked around his garden and found an empty space.
 He then looked down upon the earth and saw your tired face.
 He put his arms around you and lifted you to rest.
 God's garden must be beautiful, He only picks the best.
 He knew how you were suffering, He knew that you were in pain.
 He knew that you would never get well on earth again.
 He saw the road was getting rough, and the hills were hard to climb.
 So He closed your weary eyelids and whispered, "Peace be Thine".
 It broke our hearts to lose you, but you did not go alone.
 For part of us went with you, the day God called you home.

7. LETTING GO

The angels gathered near your bed, so very close to you,
 For they knew the pain and suffering, you were going through,
 We thought about so many things, as we held tightly to your hand,
 Oh, how we wished that you were strong, and happy once again.
 But your eyes were looking homeward, to that place beyond the sky,
 Where Jesus held his outstretched arms, it was time to say goodbye.
 We struggled with our selfish thoughts, for we wanted you to stay,
 So we could walk and talk again, like we did just yesterday.
 But Jesus knew the answer and we knew He loved you so,
 So we gave to you life's greatest gift,
 The gift of letting go.

8. AFTER GLOW

I'd like the memory of me to be a happy one,
I'd like to leave an afterglow of smiles when life is done.
I'd like to have an echo whispering softly down the ways,
Of happy times and laughing times and bright and sunny days.
I'd like the tears of those who grieve, to dry before the sun,
of happy memories that I leave, now that my life is done.

9. THE LORD'S PRAYER

Our Father, which art in heaven, Hallowed be Thy name.
Thy Kingdom come, Thy will be done on earth, as it is in Heaven.
Give us this day our daily bread, and forgive us our trespasses,
As we forgive those who trespass against us.
And lead us not into temptation, but deliver us from evil.
For Thine is the kingdom, the power, and the glory,
For ever and ever.
Amen.

10. LOVING MEMORIES

May peace be with you always, as you're missing someone dear.
May angels bend to comfort you, and help to dry your tears.
Though God has made a plan for us, that we cannot foresee,
May your heart be overflowing, with loving memories.

11. I'M FREE

Don't grieve for me now, I'm free. I'm following the path God laid for me.
I took His hand when I heard Him call, I turned my back and left it all.
I could not stay another day, To laugh, to live, to work or play.
Tasks left undone must stay that way, I've found my peace at the close of the day.
If parting has left a void, then fill it with memories of joy.
A friendship shared, a laugh, a kiss, ah yes, these things I too will miss.
Be not burdened with times of sorrow, I wish you the sunshine of tomorrow.
My life has been full, I have savored much--
Good friends, good times, a loved one's touch.
Perhaps my time seemed all too brief, Do not lengthen it now with undue grief.
Lift up your hearts and share with me, God wanted me now, He set me free.

12. LIFE IS BUT A STOPPING PLACE

Life is but a stopping place, a pause in what's to be,
 A resting place along the road, to sweet eternity.
 We all have different journeys, different paths along the way,
 We all were meant to learn some things, but never meant to stay.
 Our destination is a place, far greater than we know,
 For some the journey is quicker, for some the journey is slow.
 And when the journey finally ends, ee'll claim a great reward,
 And find an everlasting peace,
 Together with the Lord.

13. DO NOT STAND AT MY GRAVE...

Do not stand at my grave and weep, I am not there, I do not sleep.
 I am a thousand winds that blow, I am the diamond glint on the snow.
 I am the sunlight on ripened grain, I am the gentle autumn's rain.
 When you awaken in mornings hush, I am the swift uplifting rush,
 Of quiet birds in circled flight, I am the soft stars that shine at night.
 Do not stand at my grave and cry, I'm not there, I did not die.

14. MOMENTS TO MEMORIES

We don't always realize how precious life is or how precious the moments are
 that we share, until we experience the loss of someone we love,
 and we face the greatest pain in life we must bear.
 We recall moments that stir feelings within us, moments filled with laughter,
 smiles, and tears. Moments where trials and triumphs were shared
 together. Moments to be cherished for many years. And when the moments
 have turned into memories, we long to recover those days that have passed.
 Our memories will keep our loved ones alive in our hearts,
 where forever those treasured moments will last.
