

EVAN W. SMITH Funeral Services

We are grateful for the appreciative words families share:

"My family had used a popular Wilmington funeral home in the past but I wanted to go in another direction. I asked my social worker sister for a funeral home referral. She recommended Evan W. Smith due to her observations on the dignity of how they treated the deceased. My wife and I were very pleased with the manner in which they took care of my sister-in-law. We faced a complex situation involving shipping the body to Colorado. Evan W. Smith Funeral Services was professional and never applied any undue financial pressure to us. Recommend highly!"

"I must say I absolutely love this place! They really take care of you when you are experiencing the worst time of your life. 2020 was very hard for my family. There is a young lady there who really did an excellent job working with my aunt. The two times we had to come in and work with her she was very professional and so nice when assisting my aunt. I was very pleased."

"Very professional. The team was support and comforting during this time for my family. When I reached out to Evan Smith funeral services I was at the end of my knowing what to do. My family and I are grateful for their service and compassion."
