Consumer Information

A list of funeral costs is mandated by the Federal Trade Commission. Every funeral home is required to make this list available upon request for comparison by the consumer. Our list has been simplified for this purpose. However, comparing prices can be confusing. We invite you to contact us for clarification.

The goods and services shown in this General Price List are those we can provide to our customers. You may choose only the items you desire. However, any funeral arrangements you select will include a charge for our basic services and overhead. If legal or other requirements mean you must buy any items you did not specifically ask for, we will explain the reason in writing on the statement we provide describing the funeral goods and services you select.

APPLICABLE TAXES ARE NOT INCLUDED IN THE PRICES LISTED.

Please ask a funeral director for clarification or a written explanation of any selected goods or services.
