GENERAL PRICE LIST

These prices are effective as of August 11, 2024, and are subject to change without notice.

A list of funeral costs is mandated by the Federal Trade Commission. Every funeral home is required to make this list available upon request for comparison by the consumer. The goods and services shown below are those we can provide to our customers. You may choose only the items you desire. However, any funeral arrangements you select will include a charge for our basic services and overhead. If legal or other requirements mean you must buy any items you did not specifically ask for, we will explain the reason in writing on the statement we provide describing the funeral goods and services you select.
