

MEMORIAL CHAPELS, LTD.

To Our Friends and Neighbors:

Since our founding in 1928, we remain family owned and operated as well as dedicated to the standards set by our father and grandfather. We strive to serve our community with dignity, compassion, and integrity.

This General Price List was prepared to help you and your family select the type of funeral ceremony you desire. We will be glad to discuss all aspects of this list with you and help you choose only those options that you feel necessary in planning the funeral of your choice.

The prices on this list are for the goods and services that we provide. Complete casket and vault price lists are available at the funeral home. Our prices are based on a true analysis of our operating costs or what we consider to be "honest pricing". Using "honest pricing" gives us the ability to offer our merchandise at a more realistic (and often drastically less) cost than most funeral homes, or any so-called discount stores.

We invite you to compare our pricing structure with other funeral homes. However, in that comparison, one must be careful to evaluate like goods and services, as well as the total price. Some funeral homes will under price their service charges and overprice their merchandise in order to lure price shoppers. The merchandise itself must be considered on the same level (the manufacturer, quality or gauge of metal caskets, workmanship and quality of hardwood caskets, the reinforced strength of burial vaults, etc.).

We feel confident that you will find the **Hickey and Peloquin Families** offer the highest commitment to both quality and service.
