Our funeral home makes no representations or warranties regarding outer burial containers. The only warranties, express, or implied, granted in connection with goods sold with this funeral service are the written warranties, if any, extended by the manufacturers thereof. No other warranties and, specifically, no implied warranties of MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE are extended by the seller.

In most areas of the country, state or local law does not require that you buy a container to surround the urn in the grave. However, many cemeteries require that you have a container so that the grave will not sink in. Either a grave liner or a burial vault will satisfy these requirements. Other selections may be available by special order. Certain outer burial containers listed are available in extra width and length size upon special order at an additional cost.

We will gladly quote on these if requested.
