Complete Embalming and Preparation of Remains

This is the process in which the bodily fluids and blood are removed and replaced with preservatives. It is a process of sanitation, restoration and temporary preservation.

Embalming is not legally required within the Province of Ontario, but maybe recommended to preserve the body between the time of death and visitation, service or final disposition of the deceased. We strongly suggest if there is a time delay exceeding 24 hours and you wish for an open casket for either family or public viewing that this service be considered. However, it is our company policy that if there is to be visitation prior to a ceremony that Complete embalming is required. ~\$495

Facilities for Embalming

The use of the preparation room during the embalming process, dressing of the deceased, cosmetic application, restorative procedures and hairdressing. ~ \$200

Shelter of Remains and Basic Necessary Care

This is required Facilities where basic care of deceased performed. This includes placement of remains into the casket/container and sheltering of remains until time of services or cremation up to a maximum of 3 days ~\$300
Each additional day is \$50.
