Our Commitment

We believe that most people would like the option to choose the service that meets their needs without having to worry about price. We believe every family is unique, therefore, every service should also be unique. The reason we exist is to help families remember the life that was lived and the impact their loved one had in their lives. This is your service, not ours. We believe that you should have the service you want, not for us to tell you what traditional funeral service is. Our commitment is to provide a service that will help the family celebrate, honor, and cherish the life that was lived.

The goods and services shown inside are those we can provide to our customers. You may choose only the items you desire. However, any funeral arrangements you select will include a charge for our basic services and overhead. If legal or other requirements mean you must buy any items you did not specifically ask for, we will explain the reason in writing on the statement we provide describing the funeral goods and services you selected.

Payments for goods and services is expected prior to the services rendered, unless other arrangements have been made prior to need. For your convenience we accept cash, check, credit card (Visa, Mastercard, Discover, and American Express), a verifiable irrevocable insurance assignment or financing through a financial institution.
