# *Personalized Keepsake Options*

## *Thumbprint Jewelry*

Legacy Touch thumbprint keepsakes are uniquely personal keepsakes, fashioned in precious metal from a fingerprint of your loved one or footprint of an infant. Ask for a brochure for additional information.

## *Living Glass Keepsakes*

By suspending cremated remains within solid glass globes and pendants, Living Glass provides a unique method of memorializing your family and friends. Using an extremely small amount of cremated remains, every member of the family can have their own tangible keepsake that will last forever. Please ask for a brochure for all offerings.

## *Parting Stone Solidified Remains*

Parting Stone offers families choosing cremation a 100% alternative to conventional ash. This process solidifies the full amount of remains into a form that resembles a collection of smooth stones. On average you can expect 40-80 stones and will vary based on the volume of remains provided. The appearance of the stones vary naturally from person to person in shape, color, and texture, making each collection uniquely beautiful. Inquire about pricing and options.
