GENERAL PRICE LIST

*These prices are effective as of May 1, 2021
but are subject to change without notice.*

The goods and services shown below are those we can provide to our customers. You may choose only the items you desire. However, any funeral arrangements you select will include a charge for our basic services and overhead. If legal or other requirements mean you must buy any items you did not specifically ask for, we will explain the reason in writing on the statement we provide describing the funeral goods and services you selected.

Terms of Payment

Payment in full is respectfully requested for all funeral merchandise and services selected at the time arrangements are made.

All "Cash Advance" items must also be paid at the time of the arrangement. Cash Advance items are fees that the funeral home pays for the convenience of the family such as:
Obituaries, death certificates, flowers, opening & closing of the grave, etc...

For your convenience, we accept the following forms of payment:

1. Check, Cash or Credit Card.
2. Prefunded Funeral Contracts. We will also honor all prepaid funeral contracts made at other funeral homes with proof of available funds.
3. Existing Life Insurance Policy(s). Because life insurance claims are not paid immediately, and can be very time consuming and complicated, we utilize an assignment company, C & J Financial, of which there is a fee of 3.98% that will be included in the funeral contract. However, we do accept policies in good standing as payment without the family having to pay out of pocket or be burdened with extra paperwork. The policy must be verified prior to placing an obituary or scheduling services.
4. Online Tribute Funding provided through the Funeral Home. If a family elects to use our online tribute funding platform, all cemetery charges and cash advances must be paid at the time of the arrangements. The remainder of the funeral bill must be paid in full within 30 days. **NO ADDITIONAL FUNDING WILL BE PROVIDED. THIS OPTION IS NOT AVAILABLE TO THOSE WHO USE GOFUND ME OR OTHER TRIBUTE FUNDING WEBSITES OR METHODS (I.E. BENEFIT DINNERS/RAFFLES/ETC.) WE DO NOT ACCEPT GOFUND ME FOR PAYMENT.**
5. Tribute Loan. If you need to make monthly payments, you can apply for a "Tribute Loan" by clicking on the "Tribute Pay" link on our website. The application takes about five minutes and you get an answer almost immediately.

Estate Payment Policy: We are a small business; it is not the firms' policy to accept payment for funeral expenses from the settlement of an estate. Therefore, we respectfully request that a family member accept responsibility for payment of the funeral arrangements in full. The funeral home will provide all necessary documentation for the responsible party to be reimbursed from the estate.

As a small, private family-owned funeral home, we are unable to extend credit to families. Special circumstances may apply but are decided on a case-by-case basis at the sole discretion of the funeral director. Their decision is final.

For those individuals over 275 pounds in weight

While we understand that weight is a sensitive subject, it is important that you understand that there are additional charges set by our vendors, based on the weight of your loved one.

Therefore, please note the following:

For Individuals Over 275 Pounds-Burial For individuals over 300 pounds, extra charges may be incurred for removal and embalming, which you can find in the itemized selections. Depending on your loved ones size, an appropriate oversized casket will need to be selected, and possibly an oversized vault, which may also result in needing two (2) graves at the cemetery.

For Individuals Over 275 Pounds-Cremation For individuals over 300 pounds, extra charges may be incurred for removal, embalming, oversized cremation containers, and the cost of cremation. Depending on your loved ones size, an appropriate oversized casket will need to be selected, which the individual will also be cremated in. In this instance, the rental casket fee would be deducted from our cremation packages.

For those individuals over 400 pounds in weight

For those who are 400 pounds and over, all charges are by quote.

BASIC SERVICES OF FUNERAL DIRECTOR AND STAFF \$2,875.00

Our fee for the services of the funeral director and staff includes but is not limited to: staff responding to the initial request for service; arrangement meeting with family or the responsible party; arrangement of funeral; preparation and filing of necessary authorizations and permits; recording vital statics information; preparation and placement of obituary or death notice; staff assistance prior to, during and following the funeral including the coordination with those providing other portions of the funeral such as the cemetery, crematory or churches/ministers.

Cemetery Fees: The family will be required to handle **ALL** cemetery fees incurred.

Death Notice: Starting January 1, 2019, the Plain Dealer has added a non-declinable \$130 charge to all death notices published in the Plain Dealer. This fee is in addition to the initial line free charges as well as photo cost. Should you run the notice in multiple days of the Plain Dealer, you are only required to pay the \$130 fee once. Credit Card information is required when placing the notice in the newspaper.

A notice of any length and style you wish may be placed on our website at no additional charge, allowing you to share it with family and friends via Facebook, other social media sites and email.

Flowers: Flowers for funeral services may be ordered through the funeral home or in person/over the telephone by the family. The funeral home's primary florist is Affordable Floral (216.671.5600). The cost for a full couch spray starts at approximately \$200.00 while a half couch spray starts at approximately \$150.00. These costs may change based on the type of flowers selected.

Clergy: Clergy may be arranged upon request and it is customary to make a donation if a minister comes to the funeral home or cemetery. If a Catholic Funeral Mass is arranged, a set stipend for the church, clergy and organist is required the morning of the mass.

Death Certificates: One legal copy of the death certificate is provided with each funeral package. However, additional death certificates in the cities of Cleveland, Lakewood and Parma currently cost \$25.00. Regardless of the number of death certificates you purchase, we will provide up to five (5) Xerox copies free of charge.

Depending on the circumstances surrounding the death, a Pending death certificate may be issued if the Cuyahoga County Medical Examiner is signing the death certificate. This certificate will allow you to handle many legal matters, such as Probate. A death certificate with a cause of death is required before Insurance claims can be made. In the event that a Pending death certificate is issued, a secondary certificate called a Supplemental will be issued up to six months after the death. We ask that you be patient with us during this time. You will be notified as soon as the Supplemental has reached our office.

Autopsy Reports: Can be obtained upon request and will take four (4) to eight (8) weeks after the Supplemental has been issued. A legal copy of this report starts at \$3.00 apiece.

Outer Burial Container Price List

These prices are effective May 1, 2021

In most areas of the country, state or local law does not require that you buy a container to surround the casket in the grave. However, many cemeteries require that you have such a container so that the grave will not sink in. Either a grave liner or burial vault will satisfy these requirements.

Metal Grave Vaults
