IMPORTANT INFORMATION

Payment Policy

Payment for goods and services is due when arrangements are completed. We accept cash, check, major credit cards (Visa, MasterCard, American Express and Discover), insurance assignments, and financing through CareCredit for qualified applicants. We are unable to delay payment while waiting for probate proceeds, Social Security death benefits, or Veterans Affairs reimbursements. If you have questions or concerns about payment, please talk with us. We are here to help and will do our best to work with you to explore available options.

Cash Advance Items

Cash advance items are goods and services provided by third parties that we may pay on your behalf. These costs are due when arrangements are completed. When we do not pay a third-party item on your behalf, we will let you know so payment can be made directly to that provider. Examples of cash advance items may include:

- | | | |
|--------------------------------|--------------------------|-----------------------|
| • Certified Death Certificates | • Common Carrier Charges | • Floral Arrangements |
| • Clergy Honorarium | • Musicians/Vocalists | • Other Funeral Homes |
| • Obituary/Newspaper Notice | • Medical Examiner Fees | |

Cemetery Fees

Cemetery fees and charges are separate from our funeral home charges and are paid directly to the cemetery.

Your Right to Choose

The goods and services shown below are those we can provide to our customers. You may choose only the items you desire. **However, any funeral arrangements you select will include a charge for our basic services and overhead.** If legal or other requirements mean you must buy any items you did not specifically ask for, we will explain the reason in writing on the statement we provide describing the funeral goods and services you selected.

BASIC SERVICES & CARE

Basic Professional Services of Funeral Director and Staff | \$1,295

This charge includes the professional care and guidance of our funeral director and staff throughout the arrangement process. It includes meeting with the family, planning and coordinating services, completing necessary permits and authorizations, and working with clergy, cemeteries, crematories and other providers. This fee also includes a proportionate share of our basic overhead expenses.

This fee for our basic services and overhead will be added to the total cost of the funeral arrangements you select. (This fee is already included in our charges for direct cremations, immediate burials, and forwarding or receiving remains.)

Embalming | \$795

Embalming provides temporary disinfection and preservation of the remains. We require embalming for public visitation, but not for a private family viewing or private family goodbye.

Embalming is not required by law. Embalming may be necessary, however, if you select certain funeral arrangements, such as a funeral with viewing. If you do not want embalming, you usually have the right to choose an arrangement that does not require you to pay for it, such as direct cremation or immediate burial.

A FAMILY TRADITION OF CARE SINCE 1983

Two Generations of Service. One Commitment to Putnam County.

Bill & Margaret Watts — 1983

For more than 40 years, Watts Funeral Home & Cremation Center has served families throughout Putnam County with compassion, dignity, and personal care. We understand that every family who comes to us is facing one of life's most difficult moments, and we are here to provide steady guidance and support when it matters most.

Our story began in **1983**, when Bill and Margaret Watts founded Watts Funeral Home with a simple purpose: to care for families with honesty, respect, and genuine compassion.

In **1986**, Bill established Putnam County's first crematory, giving local families access to affordable cremation services without having to travel outside the area.

As the needs of our community grew, so did our services. In 1996, we introduced Cherished Pets by Watts, providing pet cremation services for families throughout Putnam, Flagler, and St. Johns Counties. In **1999**, we expanded further with our own monument manufacturing facility, helping families create lasting tributes for their loved ones.

A FAMILY TRADITION CONTINUES

Today, under the leadership of Margaret and Jamie Watts, that same family tradition continues.

From Crescent City to Palatka, Welaka to Interlachen, and throughout the communities we serve, families continue to trust Watts Funeral Home for thoughtful care, clear guidance, and services tailored to their wishes.

We believe every life deserves to be honored in a way that reflects the individual and the life they lived. Whether a family chooses a simple cremation, a traditional funeral, or a personalized memorial, we are here to guide them through each step with warmth, dignity, and professionalism.

We are proud to be part of Putnam County's history and grateful for the trust families have placed in us across generations.

That trust continues to guide everything we do.
