# ENRICHMENT ACTIVITIES

(Included in tuition.)

## Chapel Time *(All ages)*

Chapel is held every week on Thursdays teaching biblical principles through stories and songs, making God's word come alive!

## GymSport *(All ages)*

GymSport comes and sets up a preschool gym where our children get moving with physical activities and games that develop coordination and gross motor skills.

## Preschool Praise/Music *(All ages)*

Each week, children participate in singing, dancing, and movement to develop gross motor skills and enhance language development. Contemporary Christian songs keep our little ones engaged!

## Science Wonders *(Fours – TK)*

Science Wonders is a science-based sensory experience for threes, fours, and TK students. Once a week, children gain an awareness of all five senses and improve fine motor skills through sensory exploration. Children explore science concepts from the world around them by participating in fun, hands-on experiments.

## Spanish Fun *(Threes – TK)*

The Spanish language is explored through music, fingerplays, and "circle time" to enhance the learning experience. Spanish comes alive!
