Participation in Intramural Sports is completely voluntary and all participants acknowledge their assumption of risk by their voluntary participation. The University of Texas System, The University of Texas at San Antonio (UTSA), and the UTSA Campus Recreation staff are not responsible for injuries sustained while participating in scheduled Intramural Sports contests, in the Recreation Center, Recreational Fields, or the general recreation area. Participants are required to sign a release form prior to participation in each new activity. The waiver will be signed online via www.imleauges.com/utsa. Participants are strongly encouraged to have approval of their personal physician prior to participating and are encouraged to have personal health insurance. If injuries occur during competition, the UTSA Campus Recreation staff may administer basic first aid and CPR, and/or call EMS. Participants are financially responsible for any medical expenses incurred.

(b) All participants are solely responsible for their own well-being and they are strongly encouraged to follow any doctor’s orders and/or medical restrictions and to notify their team captain of any physical/medical restrictions.

Section 5.04 Defaults
(a) If it becomes impossible for a team to play a scheduled contest, and if the team captain notifies the Intramural staff in person, or by phone, and by 5:00pm the day of the game, the game will be scored as a loss by default. A win by default will include the awarding of points.
(b) If a game has begun and cannot continue due to injury, which leads to having less than the required minimum number of players, or a team chooses to not continue the contest, a default will be recorded.
(c) The Intramural Sports staff will contact the opponent in case of a default. If you do not receive confirmation from an Intramural Sports staff member, the game has not been defaulted.

(e) Teams that default will receive a B in Sportsmanship

Section 5.05 Ready to Play and Game Time

Section 5.06 Optional Grace Period and Forfeits
(a) At the discretion of the IM staff, based on time and space availability, and with the approval of the opposing team captain, a team may be offered a 10-minute grace period from the original start time to obtain the minimum number of players required to participate or otherwise become ready to play. In such cases, the team that is ready to play retains the option to decline the grace period and take a win by default or forfeit at that moment. Captains must select one option or the other when asked by an Intramural Sports staff member. All decisions are final.
(b) If the captain of the team that is ready to play decides to wait and play the game, both teams must accept the result of the game.
(c) If the team shows up during the additional time period, game time will be reduced by the number of minutes the team was late for the game. For games with timed periods, the length of each period will be reduced equally.
(d) The captain of the team ready to play will also have the option of penalizing the late team a certain amount of points, goals, runs, etc. based on the rules of the specific sport. The penalty is added immediately if the opposing team captain elects to use it, and is NOT impacted by the amount of time it takes for the other team to be ready to play. EXAMPLE: A flag football captain has the option of allowing the ten minute grace period for his/her late opponent, and also has the option to start the game up 14-0.
(e) If the team is still not ready to participate after the additional time period has expired, the game will be defaulted or forfeited as described below in 5.06f. No additional time is permitted.
(f) A team that shows up to play their scheduled contest but has **ONE LESS** than the required number to play after the end of the ten minute grace period, shall be awarded a **DEFAULT**. In all other situations, a forfeit will be recorded.

(g) For a forfeited contest, the team captain (the individual who registered the team via IMLeagues.com/utsa) will be fined a $20 **forfeit fee**.

(i) This fee will be added to the individual’s student account. Failure to pay the fine could result in a hold on the individual’s account which can prevent an individual from registering for classes, applying for graduation, etc.

(ii) All forfeit fines must be paid at the Membership Desk located within the Student Recreation Center.

(h) If a team forfeits two league play games, it will NOT be entered into the playoffs.

Section 5.07 Protests

If the team captain does not immediately notify the official of his/her intent to protest, he/she waives all rights to protest on that particular call.

(iii) Upon notification by the team captain of a rules interpretation protest, the official shall stop the game and alert the supervisor, who will then assist the team captain in filling out the protest form. Both team captains shall sign the protest proceedings, agreeing to continue the game according to the official’s ruling.

(iv) In resolving a rules interpretation protest, the Intramural Sports staff will first make a decision concerning whether an error was made, and second, whether the error had an effect on the outcome of the contest. At that point, a final decision will be made on whether to replay the remainder of the game and both team captains will be notified.

(b) Eligibility

(i) An organization or individual may protest the eligibility of an opponent. All participants must present acceptable identification if requested by the game official. If the player cannot present proper identification at this time, he/she will not be allowed to participate until he/she can present it.

(ii) To complete a formal protest of eligibility, the protest must be filled by 5pm the day following the contest. To protest eligibility, the team must contact the Assistant Director of Intramural Sports, who will then rule on the protest. (In case of a double header or weekend games, the protesting team must notify the Intramural Sports supervisor at the game site). The supervisor will then contact an Intramural Sports administrative staff member who will then rule on the protest.

(iii) A Campus Recreation employee may recognize the ineligibility of a participant either through computer notification or employee written notification. The Intramural Sports staff will then interview the individual and rule on the question and will notify all concerned parties.
(iv) Minimum disciplinary action for a contestant playing on more than one team is a one game suspension
during regular season play. If an individual violates the rule twice or at any point during the playoffs,
he/she will not be eligible for the remainder of that sport.
