Section A. Doubles Play
1. In doubles play two contestants are partners against another team of two contestants. In doubles play, one member of each team pitches from one cornhole platform and the other members pitch from the other cornhole platform.

Section B. Innings
1. Every Cornhole / Corn Toss match is broken down into innings of play. During each inning of play each contestant must pitch all four corn bags.

Section C. Value Of The Corn Bag -
1. Corn Bag In-The-Hole - A corn bag in-the-hole (or Hole-In) is a corn bag which is thrown through the hole in the cornhole platform or otherwise comes to rest inside the cornhole platform (knocked in by another player or an act of God). A corn bag in-the-hole has a value of three points.
2. Corn Bag In-The-Count - A corn bag that is not in-the-hole but lands with any portion of the corn bag resting on the cornhole platform is in-the-count. A corn bag in-the-count has a value of one point. For a corn bag to be in-the-count, it must not touch the ground or any other portion of the court prior to coming to rest on the cornhole platform. If a corn bag touches the ground before coming to rest on the cornhole platform, it is a foul and must be removed from the cornhole platform prior to the continuation of play.
3. Corn Bag Out-Of-The-Count - A corn bag which comes to rest anywhere except in-the-count or in-the-hole is out-of-the-count and has no scoring value. A corn bag which is declared to be a foul is considered to be out-of-the-count (no matter where it comes to rest) and must be removed from the cornhole surface prior to the continuation of play.

Section D. Score Calculation -
1. Cancellation scoring may be easily calculated as follows:
   - The points of both contestants are calculated for hole-ins and in-the-count corn bags.
   - The points of the lowest scoring contestant are subtracted from the points of the highest scoring contestant. The result is the score for the highest scoring contestant. The score for the lowest scoring contestant is zero.

Section E. Delivery Of Corn Bags -
1. In doubles play, the first side of contestants alternate pitching corn bags until they have thrown all four corn bags, then the remaining contestant (pitching from the other cornhole platform) continue to alternate in the same manner until all four corn bags are delivered and the inning completed.
2. A contestant may deliver the corn bag from either the left or right pitchers box but, in any one inning, all corn bags must be delivered from the same pitcher’s box.

Section F. Pitching Rotation During The Game
1. The contestant who scored in the preceding inning shall pitch first in the next inning. If neither pitcher scores, the contestant who pitched second (last) in the preceding inning shall pitch first in the next inning.
Section G. Length of the Game

1. The Cornhole / Corn Toss match shall be played until the first team of contestants reaches (or exceeds) 21 points at the completion of an inning. The winning team does not need to win by two or more points.

2. The Cornhole / Corn Toss match can never end in the middle of an inning. Thus, if a team that pitches first reaches or exceeds 21 points, the game can not end until the other side is allowed to pitch all of their corn bags and the inning is completed.

3. If the Cornhole / Corn Toss match is tied at 21 or more at the end of an inning, play continues until one team or the other achieves a higher score at the end of an inning and wins the match.
