The competition will be 8-ball billiards. Scratching on the break will result in a loss. Scratching when shooting on the 8-ball will result in a loss. If a scratch occurs during the game, the cue ball will be removed and the opposing player will be able to shoot from anywhere behind the second dot, on the side opposite where the rack began (AKA 'The Kitchen'). Players must strike their ball first on their shot, otherwise it will be considered a table scratch. A table scratch will also be called if the cue ball does not strike any ball. The opposing player will have ball in hand and be able to shoot from anywhere on the table.

2. Format

The league format will be a either single or double elimination tournament depending on player sign-up.
