CORNHOLE

American Cornhole Organization Official Rules will govern play with the following exceptions and highlights:

ELIGIBILITY
All participants must have an active REC membership, Intramural Sports Play Pass, and show their Boise State Identification Card prior to each contest. Eligibility status is the responsibility of each individual participant and the Team Captain.

TEAMS
1.1 A team will consist of two participants who toss from opposite boards.

EQUIPMENT
2.1 The Intramural Program will provide boards and bags.
2.2 Boards are placed 27 ft. from front edge to front edge.

THE GAME
3.1 The first team to reach (or exceed) 21 points will be declared the winner (No bust). Teams are not required to land directly on 21 points.
3.2 Play begins by the loser of the bag flip/RPS tossing first with alternating tosses until all four bags have been tossed by each participant.
3.3 Players must deliver each toss with an underhand release.
3.4 The thrower’s feet must stay behind the line of the front of the board at the time of releasing the bag.
3.5 The team who scored in the preceding frame throws first in the next frame. If neither team scores, the team who threw first in the previous frame will throw first in the next frame.

SCORING
4.1 Cancelation Scoring will be used. In Cancelation Scoring, the points of one player cancel out the points of their opponent. Using this method, only one player/team can score each frame.
   If both teams score the same amount of points, neither team will be awarded points.
4.2 One (1) point will be awarded for any bag on the board after all bags have been tossed. If a bag comes to rest touching the ground and the board, a point will not be awarded.
4.3 Three (3) points will be awarded for any bag that passes through the cornhole board hole at any time within the frame.
