Attention all Guildies;

We have decided to take our guild to the next level! We are going to start our very own youtube channel. This channel will have our raid fights posted to it. With this addition we are going to take the opportunity to update our guild logo. We are putting the logo in your hands! The creation of the new logo will be done by you.

If you are interested in creating an awesome new logo for the guild, not only is this awesome enough but the winner will receive their very own Auction house for their garrison, or a fully upgraded(6 of 6) piece of gear for a toon of their choice.

The logos that are submitted will be put up on FB and the guild website for a week, at this time they will be put to a vote. The logo with the most votes will be the winner. The deadline for enteries for the logos will be Aug 3<sup>rd</sup>. The logos will be posted on Aug 4<sup>th</sup>. At which time the voting will begin. The last day to submit votes will be Aug 11<sup>th</sup>.

The logos must be submitted via email. The email address to submit is [gow.lightbringer@gmail.com](mailto:gow.lightbringer@gmail.com) . The votes must be submitted to Cormia via in game mail. The winner will be anounced Aug 12<sup>th</sup> before the Raid.

The logo must portray Gears of Warcraft(per Tyrants request no fluffly bunnies). Please keep it appropriate for all ages. Keep in mind we will be changing our guild colors to match the winning logo(Tyrant says NO pink!). Other then that have fun with it.
