

Trivia question: 1

In *Red Nails*, short story by Robert E. Howard, who is being described in the blank:
“_____ is faster and more agile than Conan.

A hint: prominent person in Tortage

Trivia question: 2

This is tougher:

In Robert E. Howard’s story (the title will give away the answer), Sancha, the mistress of The Bearded Clam, is rescued by Conan after she is taken captive by mysterious and evil group of people.

- 1) What is the name of the group? Hint: you meet them before you level to 20
- 2) The group is near a “water source”, in the story, what does the water do?

Trivia question: 3

Ok....this is hardest!

In Robert E. Howard’s story (the title will give away the answer) the author uses Greek Mythology’s Apollo and Daphne as a model for this quest in AoC ; however Conan is the mortal, and she is the goddess.

“...the mere sight of her strange nakedness kindles Conan's lust and, when she repeatedly taunts him, he madly chases her for miles across the snows with the intent of ravishing her”.

Who is he chasing?

Hint: she has a lot of family support.
