Safe Harbor Statement

This presentation contains forward-looking statements, which express the current beliefs and expectations of management. Such statements are based on management's current beliefs and expectations and involve a number of known and unknown risks and uncertainties that could cause our future results, performance or achievements to differ materially from the results, performance or achievements expressed or implied by such forward-looking statements. Important factors that could cause or contribute to such differences are detailed in documents we file from time to time with the United States Securities and Exchange Commission. Forward-looking statements in this presentation are made pursuant to the safe harbor provisions contained in the Private Securities Litigation Reform Act of 1995.

These statements include descriptions regarding the Company's plans, objectives, goals, strategies, future events, future revenues or performance, capital expenditures, financing needs and other information that is not historical information. These statements can be recognized by the use of words such as "may," "might," "will," "should," "expects," "plans," "anticipates," "believes," "estimates," "predicts," "potential" or "continue," the negative of these terms and other comparable terminology. Such forward-looking statements are not guarantees of future performance and involve known and unknown risks, uncertainties and other factors, including those described under "Risk Factors" in the Company's Form 20-F, that may cause the Company's actual results, performance or achievements to differ materially from those set forth in the forward-looking statements as a result of various factors and assumptions. The Company has no obligation and does not undertake to revise forward-looking statements to reflect future events or circumstances.

The trademarks included herein are the property of the owners thereof and are used for reference purposes only. Such use should not be construed as an endorsement of the products or services of SodaStream or of those other companies.

Non-IFRS Financial Measures

This presentation contains certain non-IFRS measures, including Adjusted net income (“Adjusted net income”), Adjusted Earnings Before Interest, Income Tax, Depreciation and Amortization (“Adjusted EBITDA”), and Adjusted diluted earnings per share (“Adjusted diluted EPS”).

Adjusted net income represents net income calculated in accordance with IFRS as adjusted for the impact of the Share-Based Compensation Expense. Adjusted EBITDA represents earnings before interest, income tax, depreciation and amortization, and further eliminates the effect of the Share-Based Compensation Expense. Adjusted diluted EPS represents earnings per share calculated in accordance with IFRS as adjusted for the impact of the Share-Based Compensation Expense.

The Company believes that the Adjusted net income, Adjusted EBITDA and Adjusted diluted EPS, which excludes the Share-Based Compensation Expense, should be considered in evaluating the Company’s operations since they provide a clearer indication of the Company’s operating results going forward.

These measures should be considered in addition to results prepared in accordance with IFRS, but should not be considered a substitute for the IFRS results. The non-IFRS measures included in this presentation have been reconciled to the IFRS results in the table included at the end of this presentation.
