

TECUMSEH PRODUCTS COMPANY
Audit Committee

CHARTER

Adopted by the Board of Directors: June 29, 2010, as amended on June 27, 2014

Purpose

The purpose of the Committee shall be to assist the Board of Directors of Tecumseh Products Company (the “Company”) in its oversight of:

- management’s conduct of the Company’s financial reporting process;
- the integrity of the financial statements of the Company;
- the Company’s compliance with legal and regulatory requirements, including the requirements of the Sarbanes-Oxley Act of 2002;
- the independence and qualifications of the outside auditor; and
- the performance of the Company’s internal audit function and outside auditor (by reviewing the financial reports and other financial information provided by the Company to any governmental or regulatory body, the public or other users thereof, the Company’s systems of internal accounting and financial controls, and the annual independent audit of the Company’s financial statements).

In discharging its oversight role, the Committee is empowered to investigate any matter brought to its attention with full access to all books, records, facilities and personnel of the Company and the power to retain outside counsel, auditors or other experts for this purpose. The Company shall provide adequate resources to support the Committee’s activities, including compensation of the Company’s independent auditor and any counsel, other auditors and other advisors retained by the Committee. The Committee shall have the sole authority to retain, compensate, direct, oversee and terminate the Company’s independent auditor and any counsel, other auditors and other advisors hired to assist the Committee, who shall be accountable ultimately to the Committee. The outside auditor is ultimately accountable to the Board and the Committee. The Committee may request any officer or employee of the Company or the Company’s outside counsel or outside auditor to attend a meeting of the Committee or to meet with any members of, or consultants to, the Committee.

Authority and Responsibility

The Committee’s job is one of oversight, and it recognizes that the Company’s management is responsible for preparing the Company’s financial statements and that the outside auditor is responsible for auditing those financial statements. Additionally, the Committee recognizes that financial management (including the internal audit staff), as well as the outside auditor, have

more time, knowledge and more detailed information on the Company than do Committee members; consequently, in carrying out its oversight responsibilities, the Committee is not providing any expert or special assurance as to the Company's financial statements or any professional certification as to the outside auditor's work.

The Committee is authorized to carry out the activities described below and other actions reasonably related to the Committee's purposes or assigned by the Board from time to time.

The Committee may form, and delegate any of its responsibilities to, a subcommittee so long as such subcommittee is solely comprised of one or more members of the Committee and such delegation is not otherwise inconsistent with law and applicable rules and regulations of the SEC and the Nasdaq Stock Market.

Responsibilities Relating to Independent Registered Public Accounting Firms

1. The Committee, in its capacity as a committee of the Board, shall have the ultimate authority and responsibility for the selection, appointment, compensation, retention or termination, and oversight of any registered public accounting firm the Company engages for the purpose of preparing or issuing an audit report or performing other audit, review, or attest services (referred to in this charter as the "outside auditor"). - actively engage in a dialogue with the outside auditor with respect to the outside auditor's independence and any disclosed relationships or services, and their impact on the outside auditor's independence and objectivity; and
