

Campus Overview

- The campus opened in October 2005 and graduated its first class in October 2006.
- The 245,000-square-foot training facility is located in Sacramento, Calif.
- The school has the capacity to train up to 2,100 students.
- UTI is on the 2016 Military Friendly Schools® list published by Victory Media in recognition of efforts to ensure the success of America's military service members, veterans and spouses as students.
- The key Sacramento area employers that employ UTI graduates are Cooks Collision, Crown Equipment Corporation, Freeman Collision Center (Lexus), Holt of California, Maita Automotive Group, Peterson CAT, Raymond Handling Concepts, Ryder System and The Niello Company.
- There are approximately 140 employees at the UTI-Sacramento campus

Specialized Training

- UTI-Sacramento provides the training necessary to excel as an entry-level automotive or diesel service technician.

Core Programs

- Automotive – The program teaches students how to diagnose, maintain and repair domestic and foreign automobiles.
- Diesel – The program teaches students the basic knowledge and skills to diagnose malfunctions in mechanical and electrical systems, and make necessary repairs and replacements on diesel engines, commercial vehicles and heavy equipment.
- Automotive/Diesel – The program provides students with every Automotive and Diesel course, giving graduates the flexibility to qualify for positions in both industries.
- Collision Repair and Refinish – The program teaches students the skills to repair and refinish collision-damaged vehicles.

Blended Curriculum Model

- UTI is committed to providing students with the skills necessary to succeed in the global marketplace of the 21st century. UTI delivers a new blended learning curriculum that offers more convenience and training flexibility for its students. This new model features extensive hands-on experience supported by classroom instruction and interactive online learning. It is the same approach used by many of the industry's top employers for training their own technicians.

Manufacturer-Specific Advanced Training (MSAT)

- Ford FACT (Ford Accelerated Credential Training) – The 15-week program teaches students about the equipment and procedures used in Ford and Lincoln service departments around the nation.

- SMOG – The 9-week program teaches students the training necessary to take the California Smog Check Technician licensing exam.
- Toyota Professional Automotive Technician (TPAT) – The 12-week program provides training specific to the Toyota, Lexus and Scion automotive product lines, including Prius.
- International Technician Education Program (ITEP) – Students in this 15-week program work with diagnostic equipment, electronic systems and engines.

Electives

- Welding – The welding elective supplements the expertise acquired in the core Automotive, Diesel or Automotive/Diesel training program and meets the needs of employers who require technicians with basic welding skills and knowledge.
- Estimating – The estimating elective supplements the expertise acquired in the Collision Repair and Refinish Technology training programs, and meets the needs of employers who require technicians with estimating skills and knowledge.

Accreditation

- UTI-Sacramento is accredited by the Accrediting Commission of Career Schools and Colleges, which is recognized by the U.S. Department of Education.

STEM

- Universal Technical Institute participates in the STEM Education Coalition, a nationwide initiative that reflects our commitment to ensure science, technology, engineering and math skills are interwoven throughout our curriculum.
- UTI has been designated a 2016 STEM Jobs Approved College by Victory Media, the leader in helping America's military veterans transition to civilian life.

Community Champions

- Employees and their families as well as students are actively involved in the community. They volunteer for and donate to organizations such as the Natomas High School football team Breast Cancer Walk and the St. John's Women and Children's Shelter. Staff and students roll up their sleeves several times a year to donate blood to the Blood Source. UTI-Sacramento staff and students were instrumental in helping bring a dream playground to life for Yuba City Charter School by holding fundraisers then building the playground while the elementary school students were on Easter break.
- Employees also participate in many events for students and the community, including Student Appreciation Day, Ride Fest and Monster Jam.
