

Fact Sheet UTI-Houston, TX

Campus Overview

- The campus opened in 1983 and is the second oldest campus in UTI's 12-campus system.
- The 250,000-square-foot training facility is located in Houston, Texas.
- The school has the capacity to train approximately 3,200 students.
- Universal Technical Institute (UTI-Houston) is on the 2016 Military Friendly Schools® list published by Victory Media in recognition of efforts to ensure the success of America's military service members, veterans and spouses as students.
- The key Houston area employers that employ UTI graduates are Caliber Collision Centers, David McDavid Automotive Group, Don McGill Toyota, Fairbanks Morse Engine, Fred Haas Toyota, METRO, Mid Coast Engine & Transmission, Northside Lexus, Service King Collision Repair Centers, Sewell Infiniti, Penske, Schneider National, Schlumberger and Sterling Autobody Centers.
- UTI-Houston has approximately 140 employees.

Specialized Training

- UTI-Houston provides the training necessary to excel as an entry-level automotive or diesel service, or collision repair technician.

Core Programs

- Automotive – The program teaches students how to diagnose, maintain and repair domestic and foreign automobiles.
- Diesel & Industrial – The program teaches students the basic knowledge and skills to diagnose malfunctions in mechanical and electrical systems and make necessary repairs and replacements on diesel engines, commercial vehicles and heavy equipment.
- Automotive/Diesel & Industrial – The program combines all the courses from the Automotive Technology plus the Diesel & Industrial Program to train students for a career as a professional technician in each of these industries.
- Collision Repair and Refinish – The program teaches students the skills to repair and refinish collision-damaged vehicles.

Manufacturer-Specific Advanced Training (MSAT)

- Cummins Engines – The 12-week program focuses on mid-range and heavy-duty engines, and includes classroom and hands-on coursework.
- Ford FACT (Ford Accelerated Credential Training) – The 15-week program teaches students about the equipment and procedures used in Ford and Lincoln service departments around the nation.
- Nissan Automotive Technician Training (NATT) – The 9-week program provides training to troubleshoot, repair and maintain chassis, climate, drive train, electrical and engine systems for Nissan and Infiniti vehicles.

Accreditation

- UTI-Houston is accredited by the Accrediting Commission of Career Schools and Colleges (ACCSC), which is recognized by the U.S. Department of Education.
- ACCSC has recognized UTI Houston as a 2015 ACCSC School of Excellence.

STEM

- Universal Technical Institute participates in the STEM Education Coalition, a nationwide initiative that reflects our commitment to ensure science, technology, engineering and math skills are interwoven throughout our curriculum.
- UTI has been designated a 2016 STEM Jobs Approved College by Victory Media, the leader in helping America's military veterans transition to civilian life. UTI is recognized as an approved STEM jobs college for 2015.

Community Champions

- UTI-Houston employees and their families as well as students are actively involved in the community. Staff and students roll up their sleeves several times a year to donate blood to the St. Luke's Blood Bank.
- Employees also participate in many events for students and the community, including Student Appreciation Day, car shows, drag races and Art Car Parade, as well as events by March of Dimes and Northwest Assistance Ministries.
