PROXY STATEMENT

SPECIAL MEETING OF SHAREHOLDERS

March 31, 2015

This proxy statement is being furnished to our shareholders in connection with the solicitation of proxies by the board of directors for use at the Special Meeting of Shareholders (the "Special Meeting") to be held on March 31, 2015, and at any adjournments or postponements thereof.

Your proxy will be voted in the manner you specify if you vote properly and timely by the Internet or telephone, or if you complete and return the enclosed proxy card. You may revoke your proxy by notifying our secretary in writing, by delivering a properly executed proxy of later date (either in writing, telephonically or via the Internet) to the secretary at or before the Special Meeting, or by voting in person at the meeting.

This proxy statement was mailed to each shareholder of record at the voting record date, on or about _____, 2015.

VOTING

Record Date

At the close of business on February 20, 2015, the record date for the Special Meeting, we had [] shares of common stock, par value \$1.00 per share, referred to herein as "common stock," outstanding and entitled to vote. On each proposal presented for a vote at the Special Meeting, each shareholder is entitled to one vote per share of common stock held as of the record date. As of the record date, our directors and executive officers held _____ shares of common stock entitled to vote at the Special Meeting, or approximately _____ % of all outstanding shares of common stock, and we believe that all of these shares will be voted in favor of Proposal I and Proposal II.

Quorum Requirements; Effect of Abstentions and Broker Non-Votes on Proposal I and Proposal II

A quorum for the purposes of all matters to be considered and voted on shall consist of shareholders representing, in person or by proxy, a majority of our total voting power. If less than a majority of the outstanding shares of common stock is represented at the Special Meeting, the shares so represented may adjourn the Special Meeting to another date, time or place.

Abstentions and "broker non-votes" will be considered present for purposes of determining a quorum, but only "FOR" and "AGAINST" votes are counted for purposes of determining the votes received in connection with each proposal. A broker non-vote occurs when a nominee holding shares for a beneficial owner (i.e., in "street name") does not vote on a particular proposal because the nominee does not have discretionary voting power with respect to that item and has not received instructions from the beneficial owner.

With respect to the amendment to the Corporation's Articles of Incorporation to increase the number of authorized common shares from 50 million to 100 million (Proposal I), approval of the proposal requires the affirmative vote of a majority of the Corporation's outstanding common shares. Since Proposal I is considered by applicable rules to be a "routine" matter, brokers have discretionary voting power and may vote uninstructed shares with respect to this proposal. Abstentions from voting on this proposal could prevent approval because they do not count as affirmative votes.

With respect to the amendment to the Corporation's Articles of Incorporation to reduce from 50% to 25% the number of votes necessary in order to call a special meeting of shareholders (Proposal II), approval of the proposal requires the affirmative vote of 75% of the Corporation's outstanding common shares. Broker non-votes and abstentions could prevent the approval of this proposal because they do not count as affirmative votes.

In order to minimize the number of broker non-votes, the Corporation encourages you to vote or to provide voting instructions to the organization that holds your shares by carefully following the instructions provided in the Notice. Our board of directors urges shareholders to promptly vote by completing, dating and signing the accompanying proxy card and to return it promptly in the enclosed postage-paid envelope, or, if you hold your stock in "street name" through a bank or broker, by contacting your bank or broker and following the voting instructions of your bank or broker. You may also vote by Internet or telephone as explained below.

Any other matter that may be properly submitted to shareholders will be determined by a majority of the votes actually cast at the Special Meeting, either by proxy or in person. Abstentions and broker non-votes will not be counted and will have no effect.

Votes Required

Proposal I

Required Vote – Amendment to Articles of Incorporation Increasing the Number of Authorized Shares of Common Stock from 50 Million to 100 Million

The affirmative vote of the holders of a majority of our outstanding shares of common stock is required to approve an amendment to our Articles of Incorporation increasing the number of authorized shares of common stock from 50 million to 100 million. An abstention has the effect of a vote against the proposal. Because applicable rules consider this amendment to be "routine," a nominee holding shares in street name may vote on this proposal in the absence of instructions from the beneficial owner.

Proposal II

Required Vote – Amendment to Articles of Incorporation Granting to Holders of 25% of the Corporation's Shares Entitled to Vote on an Issue the Right to Call a Special Meeting of Stockholders

The affirmative vote of the holders of 75% of our outstanding shares of common stock is required to approve an amendment to our Articles of Incorporation reducing from beneficial ownership of at least 50% of the outstanding voting shares to 25% of the Corporation's shares entitled to be cast on an issue. An abstention has the effect of a vote against the proposal. A nominee holding shares in street name does not have discretionary voting power with respect to this proposal and may not vote these shares unless the nominee receives voting instructions from the beneficial owner. Because approval of Proposal II is based on a percentage of the Corporation's common stock outstanding, a broker non-vote also has the effect of a vote against the proposal.

PROXIES

We are furnishing this proxy statement and the accompanying proxy card in connection with the solicitation by our board of directors of proxies from our shareholders for use at the Special Meeting.

In addition to this solicitation by mail, our directors, officers and other employees, without additional compensation, may solicit proxies in favor of the proposals if deemed necessary, by personal contact, letter, telephone or other means of communication. We have retained Georgeson, Inc. to assist in the solicitation of proxies for a fee of approximately \$8,500, plus reimbursement for out-of-pocket expenses actually incurred. We will request that brokers, nominees and other custodians and fiduciaries forward proxy solicitation materials to the beneficial owners of the shares of common stock where appropriate, and we will reimburse them for their reasonable expenses incurred in connection with such transmittals. We will bear the costs of solicitation of proxies for the Special Meeting.

How You Can Vote

Whether you hold shares in your own name, in street name, or through the IBERIABANK Corporation Retirement Savings Plan, you may vote or direct your vote without attending the Special Meeting, by granting a proxy or vote authorization.

Participants in our Retirement Savings Plan will receive a vote authorization form for the common stock owned through this plan. If you hold shares as a participant in the plan and you do not provide the plan trustee with voting instructions on any matter (either by not returning a vote authorization form or not voting by phone or online, or due to incomplete voting instructions) and you do not authorize a vote in person at the Special Meeting, your shares will be voted in the same proportion as the shares for which voting instructions were provided to the trustee by other participants. The vote authorization form will serve as voting instructions for the Retirement Savings Plan trustee.

If you are a holder of record of the Corporation's common stock, you may vote in person at the Special Meeting. We will give you a ballot at the Special Meeting.

If you do not wish to vote in person, or if you will not be attending the Special Meeting, you may vote by proxy. If you received a printed copy of these proxy solicitation materials by mail, you may vote using the enclosed proxy card or vote authorization form (as applicable), vote by proxy on the Internet, or vote by proxy over the telephone. The procedures for voting by proxy are as follows:

- To vote by proxy using the enclosed proxy card (if you received a printed copy of these proxy materials by mail), complete, sign and date your proxy card and return it promptly in the envelope provided;
- To vote by proxy on the Internet, go to [] to complete an electronic proxy card. You will need the 9-digit Control Number included on your proxy card; or
- To vote by proxy over the telephone, dial [] (the toll-free phone number listed on your proxy card under the heading "To Vote by Telephone") using a touch-tone phone and follow the recorded instructions.

If you vote by proxy, your vote must be received by :00 p.m., Eastern Time, on , 2015, to be counted.

You may vote on the Internet or by telephone any time prior to :00 a.m., Eastern Time, on , 2015.

We provide Internet proxy voting to allow you to vote your shares on-line, with procedures designed to ensure the authenticity and correctness of your proxy vote instructions. However, please be aware that you must bear any costs associated with your Internet access, such as usage charges from Internet access providers and telephone companies.

For shares held in street name, you should follow the voting directions that your broker or nominee provides. You can complete and mail a voting instruction card to your broker or nominee or, in most cases, submit voting instructions by telephone or the Internet. If you provide specific voting instructions, your broker or nominee will vote your shares as you direct.

If you choose to vote at the Special Meeting, and:

- you are a registered shareholder of record or hold shares in the Retirement Savings Plan, you should bring the enclosed proxy card or vote authorization form (as applicable) and proof of identity; or
- you hold your shares in street name, you must obtain and bring a broker representation letter in your name from your bank, broker or other holder of record and proof of identity.

At the appropriate time during the Special Meeting, we will ask the shareholders present whether anyone wishes to vote in person. You should raise your hand to receive a ballot to record your vote.

Even if you plan to attend the Special Meeting, we encourage you to vote in advance of the Special Meeting, by telephone, Internet or mail, so your vote will be counted if you later decide not to attend.

All proxies properly voted by telephone or on the Internet and all properly executed proxy cards or vote authorization forms that are delivered to us (and not later revoked) will be voted at the Special Meeting in accordance with the directions given. In voting with regard to Proposals I and II, you may vote for or against the proposal, or abstain from voting. You should specify your choices on the proxy card.

IF NO SPECIFIC INSTRUCTIONS ARE GIVEN WITH REGARD TO THE MATTERS TO BE VOTED UPON, THE SHARES REPRESENTED BY A SIGNED PROXY CARD WILL BE VOTED “FOR” PROPOSAL I AND “FOR” PROPOSAL II LISTED ON THE PROXY CARD.

IF YOU DO NOT RETURN YOUR VOTE AUTHORIZATION FORM, NO INSTRUCTION IS SPECIFIED OR THE VOTE AUTHORIZATION FORM IS RETURNED SIGNED WITHOUT INSTRUCTIONS, THE VOTE AUTHORIZATION FORM WILL BE VOTED IN PROPORTION TO THE MANNER IN WHICH OTHER PARTICIPANTS HAVE VOTED THEIR INTERESTS, SUBJECT TO THE DETERMINATION THAT SUCH A VOTE IS FOR THE EXCLUSIVE BENEFIT OF PLAN PARTICIPANTS AND BENEFICIARIES.

The form of proxy and vote authorization form confers discretionary authority on the persons named therein and the trustee, respectively, with respect to matters incident to the conduct of the Special Meeting and with respect to any other matter presented to the Special Meeting, if notice of such matter has not been delivered to us in accordance with our Articles of Incorporation. Except for procedural matters incident to the conduct of the Special Meeting, we do not know of any other matter that may come before the Special Meeting. If any other matter is properly brought before the Special Meeting as to which proxies in the accompanying form confer discretionary authority, the persons named in the accompanying proxy will vote the shares represented by such proxies as determined by a majority of the board of directors. If any other matter is properly brought before the Special

Meeting as to which the vote authorization form confers discretionary authority, the trustee will vote participants' interests in a manner intended to represent the best interest of participants and beneficiaries of the Retirement Savings Plan.

PROPOSAL I
APPROVAL OF AMENDMENT TO THE ARTICLES OF INCORPORATION
TO INCREASE THE NUMBER OF AUTHORIZED SHARES OF COMMON STOCK

The Articles of Incorporation currently authorize the issuance of up to 50 million shares of common stock. As of February 6, 2015, a total of 43,711,228 shares of common stock were issued, reserved for issuance or estimated to be issued in pending acquisitions, as described below:

- 33,457,789 shares were issued and outstanding;
- 1,805,112 shares were held in treasury;
- 1,048,327 shares were reserved for issuance under stock incentive plans; and
- 7,400,000 shares in the aggregate are currently estimated to be issued in the Corporation's pending acquisitions.

As of February 6, 2015, approximately 8,094,000 shares of common stock available for future issuance.

Our board of directors considered the limited number of available common shares and voted to adopt, subject to the approval of a majority of the outstanding shares of common stock, an amendment to the Articles of Incorporation increasing the authorized shares of common stock from 50 million shares to 100 million shares.

Our board of directors unanimously recommends that shareholders vote "For" approval of the increase in our authorized common shares.

The board of directors believes that it is advisable to have a greater number of authorized shares of common stock available for issuance in connection with acquisitions and mergers, public or private financing, and various general corporate programs and purposes.

We may from time to time consider acquisitions and mergers as opportunities arise, stock splits and public or private financings to provide us with capital, any or all of which may involve the issuance of additional shares of common stock or securities convertible into shares of common stock. It is widely expected that consolidation of the financial institution industry will accelerate. Also, additional shares of common stock may be necessary to meet anticipated future obligations of our stock-based compensation and employee benefit plans, under which we may grant future equity awards to our officers, other employees and directors. We believe that these benefit plans are critical to retaining our current management team and attracting additional management talent during this turbulent and uncertain period.

The board of directors believes that having the authority to issue additional shares of common stock will avoid the possible delays and significant expense of calling and holding an additional special meeting of shareholders to increase the authorized common shares at a later date and will enhance its ability to respond promptly to opportunities for acquisitions, mergers, stock splits and additional financings. Such a delay may result in our inability to consummate a desired transaction under a required deadline. By having additional common shares authorized, we can be prepared to act quickly as opportunities arise.

If Proposal I is approved, the additional authorized shares of common stock may be issued for such consideration, cash or otherwise, at such times and in such amounts as the board of directors may determine without further shareholder approval, except to the extent that shareholder approval is required by applicable laws, rules or regulations. Because our common stock is traded on the Nasdaq Global Select Market, shareholder approval must be obtained, under applicable Nasdaq rules, prior to the issuance of shares for certain purposes, including the issuance of greater than 20% of the then outstanding shares of common stock or voting power in connection

with a private financing or an acquisition or merger. In addition, under both the Louisiana Business Corporation Act and NASDAQ rules, the Corporation's shareholders must approve a share issuance in connection with an individual merger or acquisition which is greater than 20% of the voting power of the Corporation on a pre-transaction basis.

The authorization of additional shares of common stock will not, by itself, have any effect on the rights of present shareholders. The additional 50 million shares to be authorized will be a part of the existing class of common stock and, if and when issued, would have the same rights and privileges as the shares of common stock presently authorized issued and outstanding. Shareholders do not have preemptive rights to subscribe for or purchase additional shares of common stock. Accordingly, the issuance of additional shares of common stock for corporate purposes other than a stock split or stock dividend could have a dilutive effect on the ownership and voting rights of shareholders at the time of issuance.

The full text of the proposed amendment to our Articles of Incorporation is attached as Appendix A to this proxy statement.

If Proposal I is approved, the number of authorized shares of common stock will be increased and the board of directors will have the right to issue, without further shareholder approval, an additional 50 million shares of common stock. If approved, Proposal I will be effective upon the filing of the articles of amendment with the Secretary of State of the State of Louisiana promptly after the Special Meeting.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT YOU VOTE "FOR" APPROVAL OF THE AMENDMENT TO THE ARTICLES OF INCORPORATION TO INCREASE THE NUMBER OF AUTHORIZED SHARES OF COMMON STOCK. PROXIES SOLICITED BY THE BOARD WILL BE SO VOTED UNLESS SHAREHOLDERS SPECIFY OTHERWISE IN THEIR PROXIES.

PROPOSAL II

APPROVAL OF AMENDMENT TO ARTICLES OF INCORPORATION REDUCING FROM 50% TO 25% THE NUMBER OF SHARES NECESSARY UNDER THE ARTICLES TO CALL A SPECIAL MEETING OF SHAREHOLDERS (Proposal II on the proxy card)

The board of directors is proposing, for approval by our shareholders, an amendment (the "Amendment") to the Corporation's Articles of Incorporation, to allow holders of 25% of the Corporation's shares entitled to be cast on an issue the right to request that a special meeting of shareholders be called.

Article 9.B. of our Articles of Incorporation, as currently in effect, only allows special meetings of shareholders to be called by (i) the board of Directors pursuant to a resolution approved by the affirmative vote of a majority of the directors then in office; (ii) the Chairman of the board or the President, or (iii) by persons who beneficially own an aggregate of at least 50% of the outstanding voting shares. The board undertook a review of this governance issue in connection with the enactment of the Louisiana Business Corporation Act and, has unanimously adopted a resolution declaring the advisability of Proposal II and recommending its approval by the shareholders.

The proposed Amendment demonstrates the board's responsiveness to Corporation shareholders' desire for greater access to the Corporation and is intended to promote good governance in a cost-effective and efficient manner. The board believes that a 25% threshold strikes an appropriate balance between enhancing shareholder rights and the risk that a small percentage of shareholders could trigger a special meeting to pursue their special interests at significant expense and distraction to Corporation's efforts on behalf of all shareholders.

If Proposal II is approved, holders of not less than 25% of the Corporation's outstanding shares of common stock will have the right to request that a special meeting of shareholders be called. A copy of the Amendment is attached as Appendix B to this proxy statement. The Amendment would not amend any other provisions of our Articles of Incorporation.

To be approved, the Amendment must receive the affirmative vote of the holders of 75% of the shares of our outstanding common stock. If the Amendment is approved by the shareholders, then the Amendment will become effective upon it being filed with the Secretary of State of the State of Louisiana, which the Corporation intends to do promptly following action by shareholders at the 2015 Special Meeting.

If Proposal II is not approved by the requisite vote, then the Amendment will not be filed with the Secretary of State of the State of Louisiana. If Proposal II is not approved, provisions under the Louisiana Business Corporation Act would be applicable to the Corporation. Under current Louisiana law, 10% of a corporation's shares entitled to be cast on an issue have the right to request that a special meeting of shareholders be called. In any case, we will continue to maintain our existing governance mechanisms affording management and the board of directors the ability to respond to proposals and concerns of all shareholders, regardless of the level of share ownership.

THE BOARD UNANIMOUSLY RECOMMENDS A VOTE "FOR" APPROVAL OF THIS PROPOSAL TO REDUCE THE NUMBER OF SHARES NECESSARY UNDER THE ARTICLES TO CALL A SPECIAL MEETING. PROXIES SOLICITED BY THE BOARD WILL BE SO VOTED UNLESS SHAREHOLDERS SPECIFY OTHERWISE IN THEIR PROXIES.
