

OMP GP LLC
RELATED PERSONS TRANSACTIONS POLICY
(Adopted as of September 20, 2017)

I. Statement of Principles

The Board of Directors (the “Board”) of OMP GP LLC (the “Company”) the general partner of Oasis Midstream Partners LP (the “Partnership” and, together with its subsidiaries and the Company, the “Partnership Group”), recognizes that related person transactions present a heightened risk of conflicts of interest and, therefore, has adopted this Related Persons Transactions Policy (this “Policy”), which shall be followed in connection with all related person transactions involving the Partnership Group.

II. Definitions

For purposes of this Policy, an “Interested Transaction” is any transaction, arrangement or relationship or series of similar transactions, arrangements or relationships (including any indebtedness or guarantee of indebtedness) in which:

- The aggregate amount involved will or may be expected to exceed \$120,000 in any calendar year;
- Any member of the Partnership Group is a participant; and
- Any Related Person has or will have a direct or indirect interest (other than solely as a result of being a director or a less than 10% beneficial owner of another entity).

For purposes of this Policy, a “Related Person” means:

- A director or director nominee of the Partnership Group;
- A senior officer of the Partnership Group, which, among others, shall include each senior vice president, vice president and each officer of the Partnership Group that is subject to reporting under Section 16 of the Securities Exchange Act of 1934, as amended;

- Any firm, corporation or other entity in which any of the foregoing persons is a partner or principal or in a similar position or in which such person has a 10% or greater beneficial ownership interest.

III. Approval Procedures

Prior to entering into an Interested Transaction, the Audit Committee of the Board (the “Committee”) shall review the material facts of such Interested Transaction and either approve or disapprove of the entry into the Interested Transaction, subject to the exceptions described below. If advance Committee approval of an Interested Transaction is not feasible, then the Interested Transaction shall be considered and ratified (if the Committee determines it to be appropriate) at the Committee’s next regularly scheduled meeting. In determining whether to approve or ratify an Interested Transaction, the Committee will take into account, among other factors it deems appropriate, (1) whether the Interested Transaction is on terms no less favorable than terms generally available to an unaffiliated third-party under the same or similar circumstances, (2) the extent of the Related Person’s interest in the transaction and (3) whether the Interested Transaction is material to the Partnership Group.

The Committee has reviewed the Interested Transactions described below in Section IV and determined that each of the Interested Transactions described therein shall be deemed to be pre-approved or ratified (as applicable) by the Committee under the terms of this Policy. In addition, the Board has delegated to the Committee’s Chairman the authority to pre-approve or ratify (as applicable) any Interested Transaction with a Related Person in which the aggregate amount involved is expected to be less than \$120,000. In connection with each regularly scheduled meeting of the Committee, a summary of each new Interested Transaction deemed pre-approved under Section IV below and each new Interested Transaction pre-approved by the Chairman in accordance with this paragraph shall be provided to the Committee for its review.

No director shall participate in any discussion or approval of an Interested Transaction for which he or she is a Related Person, except that the director shall provide all material information concerning the Interested Transaction to the Committee.

If an Interested Transaction will be ongoing, the Committee may establish guidelines for the Partnership Group’s management to follow in its ongoing dealings with the Related Person. Thereafter, the Committee, on at least an annual basis, should review and assess ongoing relationships with the Related Person to confirm that they are in compliance with the Committee’s guidelines and that the Interested Transaction remains appropriate.

IV. Standing Pre-Approval for Certain Interested Transactions
