

**NOTICE OF ANNUAL AND SPECIAL MEETING OF SHAREHOLDERS OF
WASTE CONNECTIONS, INC.**

To our shareholders,

You are receiving this notification as Waste Connections, Inc. (the “Company”) has decided to use the notice and access model for delivery of meeting materials to its shareholders. Under notice and access, shareholders still receive a voting instruction form enabling them to vote at the Company’s meeting. However, instead of a paper copy of the Management Information Circular and Proxy Statement (the “Proxy Statement”), the Annual Report and the Annual Report on Form 10-K, shareholders receive this notice with information on how they may access such materials electronically. The use of this alternative means of delivery is more environmentally friendly as it will help reduce paper use and also will reduce the cost of printing and mailing materials to shareholders.
