Part II Organizational Action Attach additional statements if needed. See back of form for additional questions.

14 Describe the organizational action and, if applicable, the date of the action or the date against which shareholders' ownership is measured for the action ▶ On July 7, 2014, Weyerhaeuser Real Estate Company ("WRECO") was split off from Weyerhaeuser Company (the "Split-off"). Each tendering holder of Weyerhaeuser Company's ("WY") common stock received 1.7003 shares of WRECO's common stock in exchange for each share of WY common stock surrendered. The exchange offer is in connection with a "Reverse Morris Trust" transaction pursuant to which a wholly owned subsidiary of TRI Pointe Homes, Inc. ("TPH") will merge with and into WRECO with WRECO surviving the merger and becoming a wholly owned subsidiary of TPH. In the merger, each share of WRECO will automatically convert into the right to receive 1.297 shares of TPH common stock. As a result, WY shareholders who tendered their shares will receive approximately 2.2053 shares of TPH common stock for each WY common share accepted for exchange.

15 Describe the quantitative effect of the organizational action on the basis of the security in the hands of a U.S. taxpayer as an adjustment per share or as a percentage of old basis ▶ The aggregate tax basis of the WRECO shares received in the split-off should be the same as the aggregate tax basis of the WY shares exchanged therefor. Similarly, the tax basis of the TPH share received in the merger should be the same as the aggregate tax basis of the WRECO shares (which is also the aggregate tax basis of the WY shares) exchanged.

16 Describe the calculation of the change in basis and the data that supports the calculation, such as the market values of securities and the valuation dates ▶ N/A

Part II Organizational Action (continued)

17 List the applicable Internal Revenue Code section(s) and subsection(s) upon which the tax treatment is based ▶ The split-off is intended to be a tax-free exchange under IRC Section 355. Under IRC Section 358, the aggregate basis of the WRECO shares received by the holder in the split-off should be the same as the aggregate basis of the WY shares exchanged therefor. Similarly, the aggregate basis of the TPH shares received in the merger should be the same as the aggregate basis of the WRECO shares (and the aggregate basis of the WY shares) exchanged. Shareholders receiving cash in lieu of fractional shares in the merger could recognize gain or loss under IRC Section 1001.

18 Can any resulting loss be recognized? ▶ A resulting loss could be recognized upon the receipt of cash in lieu of fractional shares in the merger.

19 Provide any other information necessary to implement the adjustment, such as the reportable tax year ▶ N/A
