

2017 BRAND FACT SHEET

Overview

Endurance International Group's brands (em)Power millions of small businesses worldwide with products and technology to vitalize their online web presence, email marketing, mobile business solutions, and more.

Key Brands

Bluehost

Bluehost was founded in 2003 with one goal: to make a better hosting company. Built on open source technology, it has since grown to become one of the world's largest cloud-based online solutions providers. US-based experts are available 24/7 to confidently guide users towards a successful web presence. And Bluehost's best-in-class, scalable platform now powers millions of websites across the globe, serving the needs of small businesses, bloggers, WordPress devotees, entrepreneurs, and more.

HostGator

HostGator is an international provider of cloud-based web presence solutions that delivers high quality service to its customers, who range from first-time website builders to digital influencers. Founded in 2002, HostGator prides itself on offering hands-on support that's tailored to the needs of the individual customer. HostGator is based in Texas, with offices in Houston and Austin, and offshore enterprises in Brazil and India.

iPage

iPage empowers small businesses to confidently navigate the web and succeed online. Perfect for small businesses that are looking to build an online presence quickly and easily, iPage has both drag-and-drop site builders and an array of hosting plans. iPage's team of web advisors provide superior service for all customers to make an impact online.

Domain.com

Helping startups and entrepreneurs become successful online since 2000, Domain.com offers high quality, reliable web hosting and domain name registration services at some of the most affordable prices in the industry. Domain.com's full range of solutions to create and market websites includes web hosting, VPS hosting, email, SSL certificates, website design and email marketing.

SiteBuilder.com

With the freedom to drag-and-drop content and images into chosen templates, SiteBuilder gives customers all the tools they need to build their dream site. Whether a site needs a blog or ecommerce capabilities, SiteBuilder has a variety of features that allow customers to customize their website and make it their own.

Constant Contact

Perfect for small businesses looking to grow, Constant Contact offers email marketing made simple. Constant Contact provides small businesses, nonprofits, and associations around the world with the online marketing tools, resources, and personalized coaching they need to grow their business. The company's extensive network of educators, consultants, resellers, technology providers, franchises and national associations offer additional support to help small organizations succeed.

MOJO Marketplace

MOJO Marketplace is where the top designers, developers and digital marketing professionals sell their goods and services. With over 5.8 million users, MOJO helps their community of sellers connect with active buyers on the marketplace. MOJO Marketplace is also integrated into 40+ of the leading web hosting platforms, providing free website setup for top CMS platforms including WordPress, Joomla, Magento, Drupal, and more.

SinglePlatform

SinglePlatform enables and (em)Powers small businesses to update their information across its expansive network of publishers, including top search engines, review sites and

mobile apps such as Yelp, Google, TripAdvisor and many more. With SinglePlatform, small businesses can enhance their online presence and stand out amongst their competition by easily adding content such as menus and services to their web listings.

BigRock

BigRock strives to be the trusted online solutions provider for global small businesses, providing all of the tools customers need to build their web presence – from domains to websites and more.
