

PARIS AIR SHOW 2017

We believe flight is an engine for human progress. Its magnitude both humbles and motivates us. And every day, we rise to its challenges with state-of-the-art engines, dedicated service experts and generations of innovators working together to transform aviation.

Flight unleashes the world to go beyond. Learn more at pw.utc.com.

Pratt & Whitney Engines at Paris Air Show Static Display

 Airbus A380, GP7200/PW980A APU	 Dassault Falcon 8X, PW307D
