

**Pratt & Whitney**

A United Technologies Company

**Maureen Waterston**

Vice President & Chief Human Resources Officer  
Pratt & Whitney

Maureen Waterston is vice president and Chief Human Resources Officer at Pratt & Whitney. She is responsible for Pratt & Whitney's Human Resources activities including talent, recruitment and development; employee and labor relations; compensation and benefits and diversity and inclusion for the company's global workforce of approximately 33,000 employees. Her United Technologies Corp. (UTC) career began in 1997 at Pratt & Whitney Canada.

Maureen has held a number of positions of increasing responsibility throughout Pratt & Whitney in Canada and the United States, including vice president, Human Resources for Commercial Engines and Global Services. In 2009, she joined Otis Elevator South Asia Pacific & Gulf Area based in Singapore, and was named vice president, Human Resources for Otis in 2012. She then served as vice president, Human Resources for UTC Building & Industrial Systems, the combined Otis and UTC Climate Controls & Security business units.

Maureen holds a bachelor's degree in business administration from the University of New Brunswick and a master's degree in industrial relations from the University of Toronto.

Pratt & Whitney is a world leader in the design, manufacture and service of aircraft engines and auxiliary power units. United Technologies Corp., based in Farmington, Connecticut, provides high technology products and services to the building and aerospace industries.
