

# SunTrust Banks, Inc.

Our Commitment to Financial Well-Being

At SunTrust, we believe in building communities as we build our bank. We are committed to *Lighting the Way to Financial Well-Being* by serving business and client needs and supporting local organizations.

## Lending and Investing

### SunTrust Financing

- Originated and purchased \$29 billion in mortgages to help approximately 108,500 clients purchase, refinance or improve their homes, of which 34% were low- or moderate-income borrowers or homes in low- or moderate-income communities.
- In fiscal year 2016, SunTrust funded more than \$252 million in Small Business Administration loans, ranking SunTrust as the 11th SBA lender nationwide.
- \$2.8 billion in loans and investments supporting affordable housing, economic development and job growth, community services and the revitalization and stabilization of targeted areas in our communities.
- Provided nearly 4,500 small business and commercial banking loans, totaling \$7.0 billion.

## Purchasing Goods and Services

### SunTrust purchased:

- \$2.3 billion in goods and services from businesses operating in the United States
- \$81 million in goods and services from businesses owned by minorities
- \$86.6 million in goods and services from businesses owned by women

## Strengthening Communities

### Charitable Giving

The SunTrust Foundation donated \$16.6 million to various organizations, educational institutions and nonprofits. SunTrust teammates gave \$6.5 million during its annual United Way campaign, the most in SunTrust history.

### Volunteerism

Teammates provided more than 237,000 hours of volunteer time, and worked with more than 2,700 nonprofit organizations to complete more than 41,000 community service activities.

SunTrust provides all full-time teammates 8 hours of paid volunteer leave each year.
