

JFPS 2021 Contributed Posters Program Call for Reviewers and Poster Judges

The American Pharmacists Association (APhA) is seeking peer reviewers and poster judges for the poster program at the 2021 Joint Federal Pharmacy Seminar (JFPS) to be held October 24-26, 2021 in National Harbor, MD. Reviewers and judges may also submit posters, although they will not be assigned to review their own poster or a submission from their duty station.

The due dates for participation in this program are:

- Reviewer/judge applications due – Monday, July 19
- Reviewer Webinar – Wednesday, July 28
- Abstract submission closes – Monday, August 9
- Review process begins – Wednesday, August 11
- Review process ends; reviews completed – Wednesday, September 8
- Authors notified of abstract status – Friday, September 10
- Poster uploads due – Monday, October 18
- Online poster judging begins – Wednesday, October 20
- Onsite poster judging begins – Sunday, October 24
- Poster judge meeting (onsite) – Monday, October 25
- Ribbons awarded – Tuesday, October 26

JFPS 2021 will offer both a live and a virtual poster gallery. Poster judging may be completed either online through the virtual gallery or in person at JFPS 2021.

Poster reviewers evaluate the quality of poster abstracts submitted to the program on the basis of its relevance/originality, objectives, results and implications/adaptability. The review process is conducted online or can be completed in person at JFPS 2021. Reviewers will receive assigned abstracts electronically along with instructions on how to access the abstracts on the website. Each reviewer will be assigned approximately 5-8 abstracts for review. Specific review criteria and additional instructions will be provided during the review process.

The reviewer/judge application form can be found here:
