Get a diplomatic contemporary lighting look with the Arnsberg Senator linear pendant light. It is adjustable to perfectly suit your hanging height needs and features glass shades for bright, useful light. Available in satin nickel and satin brass finishes. Uses LED light sources with 3000K color temperature. Uses superior OSRAM SMD LED lights with exclusive Opto Semiconductor. These LED lights are smaller, more efficient and put out more light! Senator also has exclusive Quattro dimming, which means no dimmer switch is required. You can choose from four different levels of light with just the flick of a light switch. Arnsberg offers meticulous German engineering to beautify your home.
