Quantity Per Carton	1

Get a geometric, contemporary lighting look with the Arnsberg Santiago linear pendant light. Its design features a slim adjustable bar that holds LED light sources in polished acrylic shades. Satin nickel finish. Uses LED light with 3000K color temperature. Uses superior OSRAM SMD LED lights with exclusive Opto Semiconductor. These LED lights are smaller, more efficient and put out more light! Santiago also has exclusive Quattro dimming, which means no dimmer switch is required. You can choose from four different levels of light with just the flick of a light switch. Arnsberg offers meticulous German engineering to beautify your home.
