The background of the slide is a photograph of a train in motion, blurred to convey speed. The train is moving from left to right. The scene is set at sunset or sunrise, with a warm orange and yellow glow on the horizon. In the foreground, there is a dark, gravelly area, likely a railway yard or track bed. To the left, a signal light pole with two lights (one green, one red) stands. In the distance, a small structure, possibly a bridge or overpass, is visible. The BNSF Railway logo is prominently displayed in the center of the image, overlaid on the train. The logo consists of the letters "BNSF" in a large, bold, white sans-serif font, with a registered trademark symbol (®) to the upper right. Below "BNSF" is a thick white horizontal bar. Underneath the bar, the word "RAILWAY" is written in a smaller, white, italicized sans-serif font.

BNSF[®]
