

GAZEBO PORTICO

Extend the usable area of your Gazebo to create additional bedrooms and storage areas. Fully seam sealed and made from superior materials, you can sleep soundly in a protected shelter, whilst not compromising covered space.

- 190T seam sealed waterproof fabric
- Heavy duty bucket floor with welded PE corners
- Portico pole system for additional strength and near vertical side walls
- Additional fibreglass poles for added stability
- Large vents provide ventilation
- Large door-in-door entrance
- Roof tensioners on valance to fit gazebos of differing height
