

It took 50 years but she's been found!

"Where have all the flowers gone?....long time passing.... "

thanks Peter, Paul & Mary for the song with Pete Seeger's words

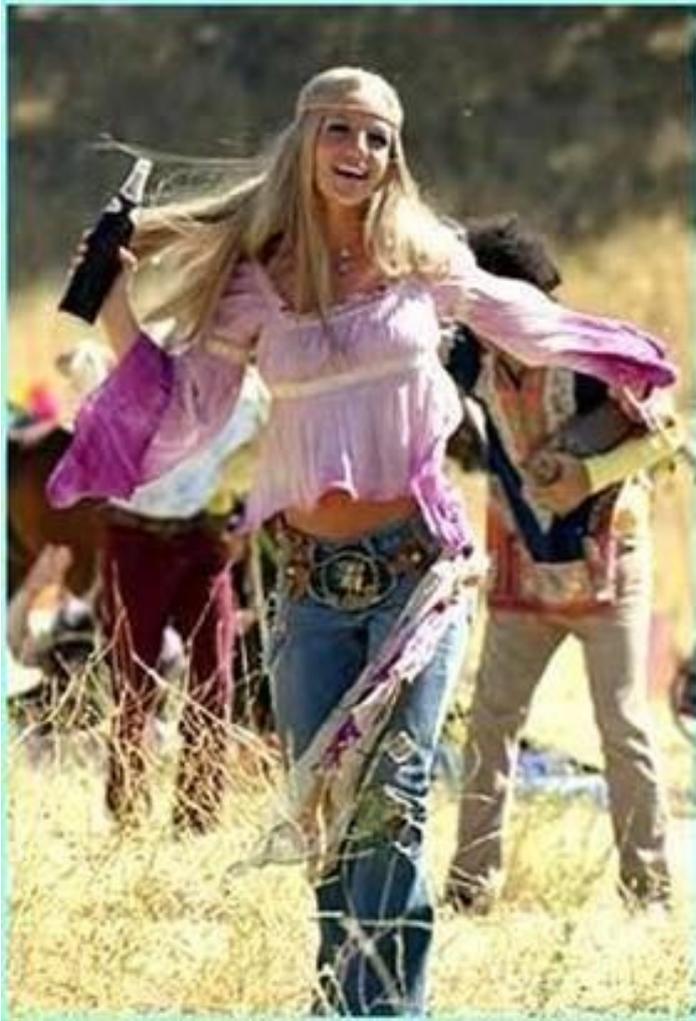

Have you ever wondered what happened

**To all those really cute and
crazy, good-looking, barefoot, young hippie
chicks**

Who didn't wear bras, smoked weed, got tattooed,

**And had sex with every guy they met during
that great
Age of Aquarius back in the 60s?
Well, wonder no more!**

I found her.
