

Motorhome still not stationery - but moving slowly waiting for the ute ignoring the flashing indicator to come past in left lane

Motorhome STILL not stationery - moving slowly STILL waiting for the ute that is ignoring the indicator. Motorhome driver OBVIOUSLY has mirrors and is using them.

Motorhome STILL not stationery - indicator STILL FLASHING that ute is STILL coming in the left land

Indicator STILL flashing .... and the ute STILL coming.  
Motorhome is STILL not stationary.

Indicator STILL flashing - Motor STILL not stationary  
Ute continues to ignore the indicator and the motorhome  
trying to move into its lane

Motorhome forced to stop by ute failing to allow  
the motorhome to move into left lane.  
The ute has almost left the lane to gain room to  
ignore the motorhome.

Motorhome begins to move and is now able to complete the manoeuvre into the left lane.

Motorhome completes the manoeuvre toward the exit lane
