Job Details

Summary

The Clinical Faculty / Family Physician is a position serving as a Family Medicine Physician and Core faculty member for the Abrazo Health Network Family Medicine Residency Program. This position will report to the Program Director of the Family Medicine Residency program. The Abrazo Health Network Family Medicine Residency Program is a community-based program serving the Phoenix community for over 40 years offering an unopposed 7-7-7 residency program.

The ideal candidate shares the philosophy of serving the community and supporting the academic mission of the University and residency program. The position requires direct patient care, resident and medical student teaching, precepting, and curriculum development in addition with administrative and scholarly activities in compliance with the requirements of the ACGME. Night and weekend call service are required.

Essential Duties and Responsibilities

Academic:

- Prepare and provide lectures, as assigned for didactic teaching of both residents and medical students.
- Serve as a course director in AZOM programs, if needed.
- Review AZOM student Family Medicine clinical rotation performance and provide rotation grades for assigned students.
- Participate in scholarly activities.
- Serve on AZOM committees as assigned.
- Mentor AZOM students who intend to match to Family Medicine residency and provide letters of recommendation as needed.
- Other duties as assigned.

Clinical:

- Provide direct patient care to patients in the Comprehensive Care Clinic the site of the Family Medicine Residency as well as on the inpatient service at the Abrazo Central Hospital
- Supervise residents and students in the family medicine clinic.
- Participate in scheduled staff meetings, committees, quality improvement activities, and peer review as needed.
- Adhere to professional and ethical standards of conduct.
- Maintain current professional certification and licensure requirements.
- Promote professionalism by modeling and encouraging professional behaviors inside and outside the educational setting.
Qualifications

To perform this job successfully, an individual must be able to perform each essential duty satisfactorily. The requirements listed below are representative of the knowledge, skill, and/or ability required. This individual must be able to work in a constant state of alertness and safe manner and have regular, predictable attendance. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions.

Education and/or Experience

This position requires either a D.O. or M.D. degree.
