PARTS & ACCESSORIES

CUSTOMIZE AND PERFECT YOUR FIREARM

In addition to all of our complete rifles, Black Rain Ordnance provides parts and accessories made for replacements, upgrades, or your next custom AR build. We manufacture all parts; rails, receiver sets, barrels, bolt carrier groups, drop in triggers, gas blocks, gas tubes, lower parts kits, spring and roll pin kits. We have everything you need to customize your next build.

For a current listing of our parts and accessories visit our website. To order specific items, email onlineorders@blackrainordnance.com or contact your salesperson.
