

Blazer Clean-Fire 9mm Luger 124 Grain

Part # 3460

Grain Weight: 124

Product Overview

Clean up the range with this load's TMJ® bullet and CCI® Clean-Fire® primer. The combination virtually eliminate airborne lead and other heavy metals. Like all Blazer® options, Clean-Fire® offers reliable, accurate performance for target shooting.

- Designed for indoor ranges
- Clean-Fire primer virtually eliminates airborne lead, barium and antimony at the firing point
- Speer® TMJ bullet
- Recoil and point-of-impact that are similar to competition and defense loads
