

00 Buckshot

SKU: 12BK008

Fiocchi Defense Dynamics Buckshot is a reliable and effective defensive shotgun option for both civilian and law enforcement professionals.

Chambered in 2-3/4", this newest 12 gauge offering in the line is an 8-pellet chilled lead 00 buckshot. Moving at just over 1,300 fps, it provides superior performance and unprecedented knockdown power.

Fiocchi's dependability coupled with our demanding quality, clean burning powders and premium components make this Defense Dynamics Buckshot ammunition perfect for your personal or home defense needs.
