

FN 15™ Military Collector M4 Limited Edition Owner's Manual Addendum

We are pleased that you have chosen an FN 15™ Military Collector M4 Limited Edition. The FN 15™ Military Collector M4 Limited Edition shares the same reliability, durability, accuracy and many of the operating features as the standard FN 15™ Carbine. However, it has additional special features such as a Backup Iron sight, an ambidextrous selector, an M4 Carbine RAS Assembly (rail adapter system with removable rail panels), a pistol grip and a side swivel kit. This addendum will cover the operation of those necessary specific features, where they differ from the standard FN 15™ Carbine. The common operations and features are covered in the FN 15™ Owner's Manual supplied with your FN 15™ Military Collector M4 Limited Edition.

WARNING

Before inspecting or making any adjustments on the FN 15™ Military Collector M4 Limited Edition fully read and understands completely the Owner's Manual as well as this Addendum. Place the "safety" in the on safe position, remove the magazine, open the action and ensure the chamber is empty as explained in Section 15.1 of your Owner's Manual. Always keep the muzzle pointed in a safe direction. Failure to follow these warnings may result in serious injury or death.

1. Contents of the Storage Case

- FN 15™ Military Collector M4 Limited Edition
- Certificate of Authenticity numbered to your weapon serial number
- Two Commemorative Dogs Tags with Chain, serialized to your rifles S/N
- Small Arms Sling
- GI Cleaning Kit
- Vertical Pistol Grip
- M9 Bayonet with Sheath
- "AUTO" Disclaimer Card, a Safety lock and two keys
- One aluminum 30-round magazine
- Owner's Manual and this Addendum

2. Rear Sight Use and Adjustment

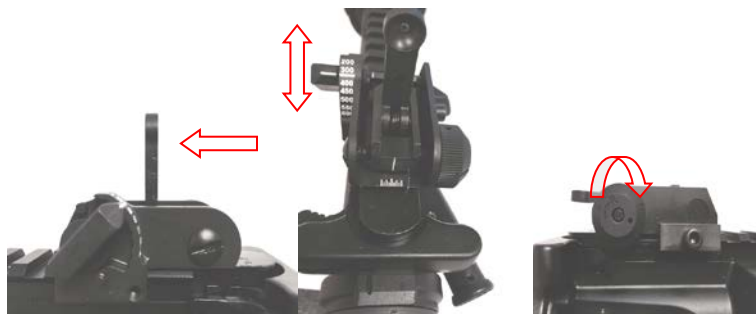

The BU sight is provided as a primary sighting system or backup sighting system if an optic is also being used. The BUS will fold down when not in use and can be quickly deployed when needed.

WARNING

Before manipulating or making any sight adjustments, place the "safety" in the on safe position, remove the magazine, open the action and ensure the chamber is empty as explained in Section 15.1 of your Owner's Manual. Always keep the muzzle pointed in a safe direction. Failure to follow these warnings may result in serious injury or death

2.1 Deploying and folding the backup Sight

2.1 Deploying; To deploy the sight, pull up the rear aperture sight leaf.

2.2 Zeroing

2. Use and Adjustment; The BUS is adjustable for windage and elevation up to 600 meters. To zero the FN 15™ Military Collector M4 Carbine, the line on the sight cam on the left side needs to align with the 300-meter mark.

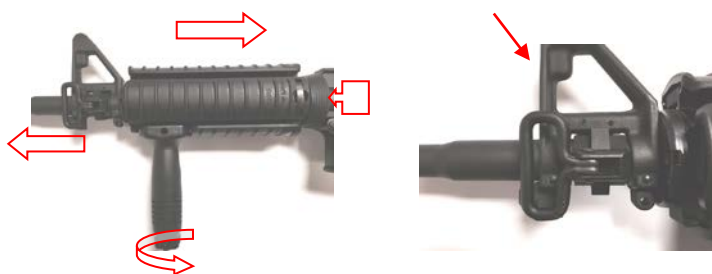

WARNING

Before removing, moving or reattaching the rear sight, place the “safety” in the on safe position, remove the magazine, open the action and ensure the chamber is empty as explained in Section 15.1 of your Owner’s Manual. Always keep the muzzle pointed in a safe direction. Failure to follow these warnings may result in serious injury or death.

3. M4 Rail Adapter System

The M4 Rail Adapter System is installed on the FN 15™ Carbine in place of the standard round handguards. The RAS system features MIL-STD-1913 rails at the 12, 3, 6, and 9 o’clock positions for mounting various weapon accessories, including the vertical pistol grip. Retaining clips on the rail covers will lock into the slots at either end of the adapter rail. To remove rail cover press clip, see picture insert and slide panel off.

The forward sling attachment on the M4 Collector is located on the left side of the front sight.

WARNING

Before installing any sights, lasers or other devices on the carbine, place the “safety” in the on safe position, remove the magazine, open the action and ensure the chamber is empty as explained in Section 15.1 of your Owner’s Manual. Always keep the muzzle pointed in a safe direction. Failure to follow these warnings may result in serious injury or death.

WARNING

Do not mount any sight, laser, or other device which interferes with normal operation of the carbine or extends beyond or in front of the muzzle. Ensure any sight or device attached to this rail system is firmly mounted.

4. UID label and QR code

Your FN 15™ Military Collector M4 Limited Edition Carbine features a QR Code (Quick Response Code) within the UID label. With this QR code you can scan it with your smartphone and obtain information at www.fnamerica.com.

NOTE

This Carbine is a semi-automatic replica of the military firearm and, despite the “Auto” marking, it is not automatic!

A laminated "Auto" disclaimer card is included with this carbine
