
.22 LR, Black Stock, Nylon Sling, 6 Rounds, Walnut Stock

Everything is better when it's threaded and has a rail on it. Following on the success of the Heritage Tactical Cowboy, we've applied that same treatment to the Heritage Rancher Carbine.

The 16 inch Rancher, which accepts 22 Magnum and 22 LR cylinders now has additional capability in the form of a top mounted picatinny rail for optics. Like its handgun counterpart, the Tactical Rancher is also threaded for muzzle attachments.
