HIGHLIGHTS

AMBI FOLDING CHARGING HANDLE

Enjoy shooting accurately with a trigger that breaks cleanly at 3.5 lbs. The single stage trigger features a hybrid flat face profile.

REAR 1913 RAIL + QD CUP

The revolutionary 20rd magazine assures that you are always ready to go. 10rd Magazines are available for compliant states or a low-profile look.

MILSPEC AR TRIGGER

Smooth, crisp, and iconic. The oversized throw lever is wide enough for gloved hands and beveled for comfort. Americana through and through.

THE ALL AMERICAN SUBGUN

Born from the ashes and designed from the ground up. The all new PHOENIX subgun is the perfect plinking platform yet built for serious duty. It's an ideal host for your suppressed shooting and features a 1913 picatinny rail at the rear, making future conversions or adding a brace a breeze. The direct blowback system has proven to be extremely reliable around the world. The PHOENIX will ship with a proprietary 35 round magazine, magazine loader, two port muzzle break, single point adjustable sling and hand stop.
