

Gold Dot Carry Gun 40 S&W 165 Grain

Part # 24259

Grain Weight: **165**

Product Overview

Speer® has built upon the law-enforcement proven Gold Dot® G2® bullet, optimizing the design and loading to provide superior feeding, ballistics and terminal performance through compact concealed handguns. Gold Dot Carry Gun features the original’s exclusive bullet nose design. Instead of a large hollow-point cavity, it has a shallow dish filled with a high-performance elastomer. On impact, the material is forced into engineered internal fissures to start the expansion process. The result is extremely uniform expansion, better separation of the petals, and more consistent penetration across barrier types.

- Shallow dish nose cavity filled with elastomer and structural-plated, pressure-formed core improve performance through barriers
- Extremely uniform expansion and penetration when fired through short barrels
- Exclusive Gold Dot construction virtually eliminates core/jacket separation

SPECS

Caliber	40 S&W
Grain Weight	165
Bullet Style	Gold Dot Hollow Point
Muzzle Velocity	1150
Test Barrel Length In	4
Package Quantity	20
Usage	Self-Defense

Gold Dot Carry Gun 40 S&W

165 Grain

BALLISTICS
Velocity in feet per second

BALLISTICS
Energy in Foot Pounds
