

# Gold Dot Handgun Personal Protection 30 Super Carry 115 Grain

Part # 24261GD

Grain Weight: **115**

Muzzle Velocity: **1150**

## Product Overview

Our original Gold Dot line remains a benchmark for both self-defense and duty use, and it’s earned the trust of law enforcement world-wide. It features a pressure-formed lead core that’s bonded to an extremely uniform jacket a single atom at a time.

This virtually eliminates separation on impact for more retained weight and penetration to crucial depths. Its Gold Dot hollow-point design expands consistently through the full range of barriers. Ignition and cycling are guaranteed thanks to sealed primers and nickel-plated brass.

- Structural-plated, pressure-formed core
- Uni-Cor bonding
- Gold Dot hollow point design
- Nickel-plated
- Sealed primer
