

# Gold Dot Short Barrel Personal Protection 45 Auto 230 Grain

Part # 23975GD

Grain Weight: 230

## Product Overview

At one time, packing a compact handgun meant sacrificing performance and ammunition selection. Speer® Gold Dot® Short Barrel® ammunition has changed that.

It is designed to work in barrels as short as 1.9 inches while producing less felt recoil and achieving reliable expansion and penetration.

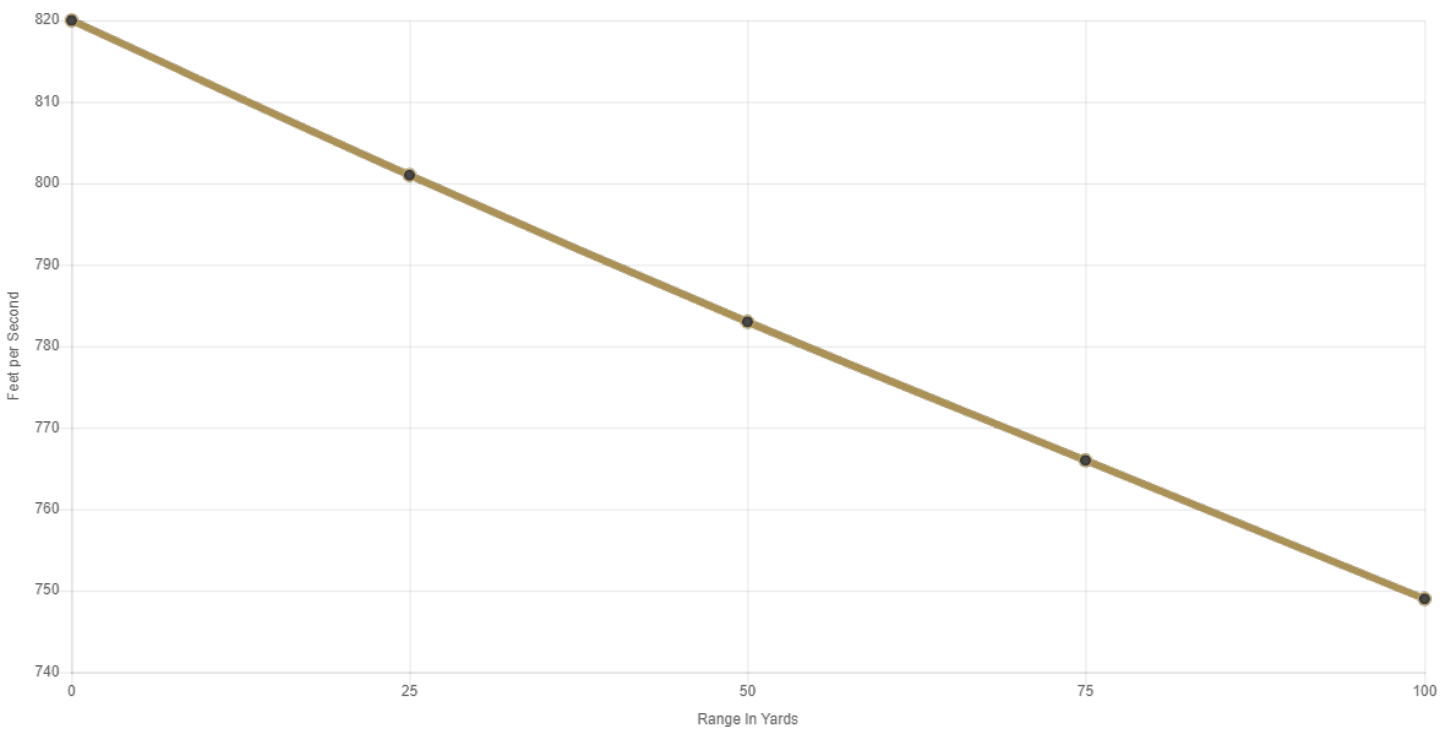

- Maximum performance in barrels as short as 1.9 inches
- Reliable feeding in sub-compact handguns
- Consistent expansion and performance at a variety of distances and velocities
- Gold Dot Hollow Point bullet
