Dear Mr. Shaw

This letter serves as my notice that I am asking for the payment \$2,425 owed to me for the sale of two horses at Wind River Farms' First Annual Consignment Sale on April 30, 2005 and a bad check I received July 15, 2005.

After receipt of the bad check I attempted to contact you several times to which I haven't received any responses. The first attempt was several phone calls to your office. The second attempt was a very mildly written letter explaining why I need the money and examples of your disaccord to our contract. Thirdly, I attempted another letter in which I expressed the urgency and seriousness of your response. It has been a month and a half since I've heard anything from you, and I'm growing concerned.

After patiently waiting, this is my third and final letter of request for payment. I am allowing you until September 14, 2005 for receipt of my earnings in the full amount of \$2,425 before taking further action. Please respond immediately.

Sincerely

Marilyn McKenzie
