

DAIA Node at Hunter College x ACERT x the School of Education

Don't AI Alone (DAIA) Conference

A P-20 Conversation on the Future of AI in Education

Join for a day dedicated to exploring the integration of Artificial Intelligence across the educational spectrum. Supported by the CUNY OAA AI Innovation Fund, this conference brings together students, staff, and faculty from Higher Ed and the Hunter Campus Schools.

Key Themes

- AI Education & Literacy: Building foundational knowledge.
- AI in Courses: Practical classroom integration and pedagogy.
- Student & Academic Support: AI-enabled tools for success.
- Ethics & Society: Addressing the social implications of AI.

Register Now

- Open to all Hunter faculty, staff, students, and Campus Schools partners.
- Celebrating best practices from the Spring DAIA Special Interest Groups (SIGs).

Wednesday, May 27, 2026

9:30 AM – 3:30 PM

Roosevelt House, Hunter College
